E. WODEHOUSE, R.K.B., Gouverneur van Harer Majesteits Kolonie Kaap de Goede Hoop, Hoogen Commissaris, enz., enz., enz. (of in geval van diens spoedig vertrek uit Zuid Afrika dan aan zijnen opvolger in het gezag); welk voorstel en aanbod het gezegde Gouvernement van den Oranje Vrijstaat onder allerlei beuzelachtige voorwendselen en verontschuldigingen tot heden met opzet heeft ontweken; en aangezien het gezegde Grikwa Opperhoofd en Gouvernement volgens pligt gehouden zijn, om, zoo veel in hen is, de regten, belangen en privilegien van het volk en de natie onder hun bestuur te beschermen en te handhave;—Zoo wordt hierbij andermaal geproklameerd en aan allen wien het moge aangaan bekend gemaakt, dat de grensscheidingen van Grikwaland West, volgens de respektive Traktaten hierin bevorens vermeld (en welke grenslijnen nimmer zijn veranderd of gewijzigd bij latere traktaten, overeenkomsten, wederkeerige daden van toestemming of verstandhouding ergens in uitgedrukt of vervat,) op nieuw gepubliceerd zijn op aanhoudende instantie van gezegd Opperhoofd en Gouvernement, op den 29sten December, 1863, en zijn als volgt:

Ten eerste, de grensscheiding tusschen het Grondgebied van het Opperhoofd WATERBOER en dat van den Oranje Vrijstaat is eene regte lijn van Rumah aan de Oranje of Zwartrivier, noordwaarts naar Davids Graf, nabij de zamenvloeijing van de Modder en de Rietrivier, en van daar in eene regte lijn naar Platberg aan de Vaalrivier, als omschreven in het Traktaat tusschen de Opperhoofden A. WATERBOER en A. KOK, gedateerd 9 November, 1838.

Ten Tweede. De Grensscheiding tusschen Grikwaland en het Opperhoofd MAHURAH is eene lijn, beginnende aan het noordelijkste punt van den Langeberg en zich uitstrekkende oostelijk, een weinig ten zuiden van Nakoneng en verder op snijderde halfweg tusschen Maremani en Klipfontein, Nelsfontein insluitende tusschen Koning en Daniëlskuil, en van daar in eene regte lijn naar het noorden van Boetsaap, insluitende Roelofsfontein en voortgaande tot Platberg, als vorengezegd, als bepaald in het Traktaat tusschen de Opperhoofden A. WATERBOER en MAHURAH, op den 22sten April, 1842.

Ten Derde. De zuidelijke grenslijn is dezelfde als de noordelijke grenslijn van de Kaapkolonie, dat is de Oranjerivier van Rumah naar Kheis, als omschreven in het Traktaat tusschen Sir B. D'URBAN en het Opperhoofd A. WATERBOER, gedateerd 11 December, 1834

Ten Vierde. De westelijke grensscheiding is eene regte lijn van de Kheis naar het vorengezegde noordelijke punt van Langeberg.

En aangezien de Volksraad van den Oranje Vrijstaat in zijn besluit gedateerd 19 Julij, 1867, verklaart, dat alle gronden, waarvoor door de Britsche Regering tijdens haar Bestuur in de Souvereiniteit van den Oranje Vrijstaat Landcertificaten zijn uitgegeven, thans behooren aan den gezegden Oranje Vrijstaat. En aangezien in den Oranje Vrijstaat algemeen, ofschoon ten onregte geloofd wordt, dat de artikelen der Convention met Sir G. CLERK, gedateerd 23 Februarij, 1854, die gronden aan de houders van die certificaten waarborgen, zijnde zoodanige waarborg noch vervat noch bedoeld in gezegd dokument; En aangezien vele dier Certificaten de verklaring op zich dragen dat zij provisioneel zijn, waarmede wordt nu aangeduid dat nu wijlen Majoor WARDEN, ten tijde van de uitgifte daarvan onzeker was aangaande de loxaliteit van de gronden daarin bedoeld, en twijfelachtig omtrent zijn regt om die gronden aldus te vervreemden; En aangezien de gezegde Convention op geenerlei wijze de grensscheidingen van den Oranje Vrijstaat omschrijft of bepaalt, of te kennen geeft dat de hierin bevorens gemelde Traktaten in eenigerlei mate zijn ongeldig geworden; gelijk inderdaad geene zoodanige Convention zou kunnen baten om dezelve van onwaarde te maken zonder de toestemming van de daarin vermelde kontrakterende partijen;

Zoo word hierbij verder geproklameerd en bekend gemaakt, dat al degenen die in enigerlei land gelegen binnen de voormelde Grensscheidingen, bewonen of vorderen of het regt voorwenden het te bezitten of te bewonen, en wier eigendoms bewijzen of authorisatie niet ontleend zijn van het gezegde Grikwa Opperhoofd en Gouvernement, slechts plakkers en overlopers zijn en geen regt hebben om anders dan als zoodanig beschouwd en behandeld te worden, ofschoon het gezegde Grikwa Opperhoofd en Gouvernement gezind zijn, zoo zachtmoedig te handelen als de billijkheid van elk op zich zelf staand geval zal toelaten met de veronderstelde regten, hoe onregtvaardig ook verkregen, van de tegenwoordige occupanten, die in goed vertrouwen land mogen gekocht hebben van dezulken die geen regt hadden hetzelve te verkoopen.

SWELLENDAM & PORT BEAUFORT.

TENDERS FOR MAILS.

General Post Office, Cape Town,
2nd March, 1868.

NOTICE is hereby given that Sealed Tenders addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 14th April, 1868, at 12 noon, for the conveyance of the following Mails:—

Between Swellendam and Port Beaufort, *viâ* Malagas, in 10 hours, once a week each way, by Cart or on Horseback.

The Mail to leave Swellendam on Thursday, at 9 a.m., and to return from Port Beaufort on Saturday, at 9 a.m.

The Contract is to commence on Thursday, the 4th June, 1868, and to terminate on the 31st of December, 1870.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations *already established or to be established on the above route.*

It is desired that the Tenderers should state by what particular route they will engage to carry the Mails, the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office,* duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems.* The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers or Parcels in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded: *provided that part of the Box or Well of the Cart especially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d.
For every period not exceeding half an hour	0	2	0
„ half an hour, and not exceeding one hour	0	7	6
„ one hour, and not exceeding an hour and a half	0	15	0
„ one hour and a half, and not exceeding two hours	1	5	0
„ two hours, and not exceeding two hours and a half	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any Person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

Further information may be obtained on application at the Office of the Postmaster-General.

CHARLES PIERS, Postmaster-General.

SWELLENDAM & PORT BEAUFORT.

TENDERS FOR MAILS.

General Post Office, Cape Town,
2nd March, 1868.

NOTICE is hereby given that Sealed Tenders addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 14th April, 1868, at 12 noon, for the conveyance of the following Mails:—

Between Swellendam and Port Beaufort, *viâ* Malagas, in 10 hours, once a week each way, by Cart or on Horseback.

The Mail to leave Swellendam on Thursday, at 9 a.m., and to return from Port Beaufort on Saturday, at 9 a.m.

The Contract is to commence on Thursday, the 4th June, 1868, and to terminate on the 31st of December, 1870.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations *already established or to be established on the above route.*

It is desired that the Tenderers should state by what particular route they will engage to carry the Mails, the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office,* duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems.* The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers *or Parcels* in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded: *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d.
For every period not exceeding half an hour	0	2	6
„ half an hour, and not exceeding one hour	0	7	6
„ one hour, and not exceeding an hour and a half	0	15	0
„ one hour and a half, and not exceeding two hours	1	5	0
„ two hours, and not exceeding two hours and a half	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time hereby stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any Person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

Further information may be obtained on application at the Office of the Postmaster-General.

CHARLES PIERS, Postmaster-General.

THE CAPE OF GOOD HOPE
Government Gazette.

Published by Authority.

TUESDAY, MARCH 10, 1868.

GOVERNMENT NOTICE.—No. 78, 1868.

Colonial Office, Cape of Good Hope, 9th March, 1868.

HIS Excellency the Governor has directed the publication of the following Dispatch, received from the Right Honourable the Secretary of State for the Colonies, for general information.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

CIRCULAR—CAPE.]

Downing-street, 21st December, 1867.

Governor Sir P. E. WODEHOUSE, K.C.B.

Extract, 11th Nov., 1867. SIR,—I transmit to you herewith an extract of a Dispatch from Her Majesty's Consul at Baltimore, reporting that the Shipping-Masters at that Port refuse to ship a White Crew on board any Vessel in which a Coloured Seaman is serving; together with a copy of the answer which has been returned to that Despatch.

Foreign Office, 30th Nov., 1867

It will be desirable that you should take such steps as may be necessary for giving publicity to the statements disclosed in this correspondence, and for warning Shipowners in the Colony under your Government of the course pursued by the Baltimore Shipping Masters.

I have, &c.,

(Signed) BUCKINGHAM CHANDOS.

Extracts of a Letter from Mr. Consul RAINALS *to Lord* STANLEY, *dated British Consulate, Baltimore, 11th November, 1867, No. 25.*

"Hitherto white and coloured seamen have been shipped indiscriminately on board the same vessel; whereas now the shipping-master and the boarding house-keepers have, at a period when trade is extremely dull, and seamen consequently plentiful, determined not to ship a white man on board the same vessel with a coloured man; and their combined power in the matter cannot be counteracted by any means at my command, as through their medium alone can seamen be obtained.

"In order to illustrate the practical result of such combination, I have the honour to submit to your Lordship's consideration a case of recent date.

"The British ship *R B. Mulhall* arrived here a short time ago with a mixed crew of white and coloured seamen shipped at Liverpool, Nova Scotia, for a term of twelve months. Soon after her arrival, several of the men deserted (as is invariably the case here), but when she was nearly ready for sea the captain told me that the shipping-masters positively refused to ship a white crew on board the vessel so long as the coloured man remained there.

"This coloured man, the captain informed me, was an excellent seaman, whose services he was as anxious to retain as he man was desirous to remain by the vessel until the expiration of his term of service.

* * * * * *

"My instructions give me no authority to compel a seamen to leave a ship without just cause, and yet I felt that, the case being without a precedent, as far as I am concerned, I should not be justified in delaying the departure of the vessel for an indefinite period. I therefore determined, if necessary, to take some responsibility on myself by discharging the coloured seaman and sending him home at the ship's expense.

"Fortunately, however, I was later able to persuade him to take his discharge, on payment of additional wages. And the matter was so settled.

* * * * * *

"Under these circumstances I would solicit your Lordship's instructions as to the means I may be permitted to adopt in cases of a similar nature present themselves again, but when the coloured seamen insist on remaining on board the vessel until their time of service shall have expired."

Mr. HAMMOND *to Mr Consul* RAINALS.

"Foreign Office, 30th November, 1867.

"H. T. A. RAINALS, Esq., Her Majesty's Consul, Baltimore.

"Sir,—I am directed by Lord Stanley to acknowledge the receipt of your Dispatch, No. 25, of the 11th inst., reporting a difficulty which had arisen in consequence of the refusal of the shipping-masters at Baltimore to ship a white crew on board the British vessel *R. B. Mulhall*, as long as a coloured seaman remained on board that vessel.

"As it appears from your Dispatch that the negro in question subsequently accepted his discharge, it is unnecessary for Lord Stanley to make any observation on this particular case; but in reply to your request for instructions as to the course you should adopt in any similar case in future, I am to state to you that this is not a matter in which Her Majesty's Government can interfere. Your powers as Consul are clearly defined by the "Merchant Shipping Act," and you can only remove a seaman from a British ship as ordered by that Act.

"Coloured seamen being British subjects are in all respects to be treated as other seamen

It must therefore be left to the masters and owners of ships to adopt such measures as they may think best calculated to obviate the difficulties caused by the course pursued by the Baltimore shipping-masters; and in order that British and Colonial Shipowners may be warned of the necessity of taking such measures, Lord Stanley has caused a copy of your Dispatch to be communicated to the Colonial Office and to the Board of Trade.

"I am, &c.,
"(Signed) E. HAMMOND.

PROCLAMATION

BY HIS EXCELLENCY SIR PHILIP EDMOND WODEHOUSE,

Knight Commander of the Most Honourable Order of the Bath, Governor and Commander-in-Chief of Her Majesty's Colony of the Cape of Good Hope, in South Africa, and of the Territories and Dependencies thereof, and Vice-Admiral of the same, and Her Majesty's High Commissioner, &c., &c. &c.

WHEREAS, with a view to the restoration of peace and the future maintenance of tranquillity and good government on the North-eastern Border of the Colony of the Cape of Good Hope, Her Majesty the Queen has been graciously pleased to comply with the request made by Moshesh, the Paramount Chief, and other Headmen of the Tribe of the Basutos, that the said Tribe may be admitted into the allegiance of Her Majesty: And whereas Her Majesty has been further pleased to authorize me to take the necessary steps for giving effect to Her pleasure in the matter:

Now, therefore, I do hereby proclaim and declare that from and after the publication hereof the said Tribe of the Basutos shall be, and shall be taken to be, for all intents and purposes, British subjects; and the Territory of the said Tribe shall be, and shall be taken to be, British Territory. And I hereby require all Her Majesty's subjects in South Africa to take notice of this my Proclamation accordingly.

GOD SAVE THE QUEEN!

His Honour the President of the Orange Free State.

SIR,—I feel sure that the Government of the Orange Free State must long since have been aware, from the communications which I have, from time to time, had the honour of addressing to you, of the great concern with which Her Majesty's Government and myself have contemplated the prolonged hostilities that have prevailed between that State and the Basutos.

And you will readily believe that we have throughout anxiously looked for any opportunity that might present itself by which our good offices might be made the means of assuaging disputes which have driven numbers of destitute fugitives to seek for shelter in this Colony, which have embarrassed our relations with our neighbours, which have caused severe and prolonged suffering to the aged and helpless members of the Basuto Tribe, which have entailed such heavy losses on the deserving Missionaries who have so long laboured amongst them, and which were fast drawing the Government and people of the Free State into debts and difficulties, from the pressure of which they were not likely to recover for many years to come.

I can, in all sincerity, assure you that we have contemplated these transactions without the slightest view to the political aggrandizement of these Colonies, or to any other result from our interference than the restoration and maintenance of general peace; but it has long been my opinion that the attainment of that end could be procured at the least cost to all concerned, and with the greatest facility in every respect, by means of the acceptance by Her Majesty's Government of those overtures which the Chief Moshesh has so repeatedly made for becoming, with his Tribe, subject to Her Majesty the Queen; and it is therefore with much satisfaction I find myself in a position to communicate to your Government that Her Majesty has been pleased to authorize me to take steps for carrying out such an arrangement.

I most earnestly hope that this communication may have the effect of inducing your Government to suspend hostilities with those who are now, in all probability, about to become the subjects of a Power actuated by the most friendly sentiments towards the Free State, and whose endeavour it will be, in carrying into effect this measure, to give the fullest consideration to the just claims of that State, and to take every precaution against the renewal of those disorders on the Border which have led to such repeated complaints and have ultimately caused the present war.

I shall acquaint the Chief Moshesh of my having submitted this suggestion to you, and shall impress upon him the necessity for his receiving in good faith any proposal for the suspension of hostilities you may be pleased to make to him, and exerting himself to restrain his people from any acts of violence pending a final settlement.

Lastly I would suggest, as I believe a Session of the Volksraad is to be held in next month, that application should be made to that body for full authority to negotiate, on behalf of the Free State, either with me, or with any person duly authorized by me, on all matters that may come under discussion in connexion with this matter. And I hope to be able to visit Basutoland about the end of March or the beginning of April next.

I have, &c.,

Bloemfontein, 31st January, 1868.

His Excellency the Governor of the Cape of Good Hope

SIR,—In acknowledging the receipt of your Excellency's letter of the 13th inst., it will, I think, be necessary briefly to state the circumstances which have caused the present war with the Basutos.

When the Basuto Chief Moshesh, in April, 1866, was compelled to sue for peace, the Government of the Free State distinctly gave him to understand that it would enter into no negotiation for peace until he agreed in writing to recognize the territory proclaimed by Commandant-General Fick and annexed to the Free State as Free State territory. Upon his consenting to do so a conference was held and the treaty of Thaba Bosigo concluded.

By Art. 1 of the Treaty of Thaba Bosigo "the Chief Moshesh acknowledges the territory annexed by proclamation of Commandant-General J. J. F. Fick to the Orange Free State, which proclamation was later confirmed by His Honour the President, with advice and consent of the Executive Concil, and finally ratified by the Volksraad on the 7th February, 1866, to the territory of the Orange Free State, and to constitute thereafter a portion of the same, the boundary line between the Orange Free State and Basutoland being henceforth fixed as follows:—From Bamboesplaats, near Pampoenspruit, with a straight line to about three miles to the east of Letsea's new Town; thence with a straight line northwards to the Caledon River; up along the Caledon River to the Putisani; up along the Putisani to its source, and thence along the Drakensberg to the Natal British boundary." After the annexed territory had been inspected and laid out in farms, and the sale of those Farms had taken place, the Government of the Free State called upon the purchasers to assemble on an appointed day at certain places for the purpose of occupying their Farms. But as the purchasers were molested by the Basutos, a Commando was called out to clear the annexed territory, in terms of Art. 2 of the Treaty, by which the Chief Moshesh bound himself to cause the proclaimed territory, specified in Art. 1, to be immediately evacuated by his people; such of them as fail to comply with that condition shall be regarded as enemies, and shall be expelled by the armed forces of the Orange Free State, without any hostile interference whatever on the part of the Chief Moshesh or his people. Moshesh received notice from our Government that the commando was merely called out to clear the country, in terms of Art. 2 of the Treaty.

The sons of Molitzani, who had squatted in the annexed territory, and had sown there in the hope that the purchasers would suffer them to reap it, begged to be allowed to remain there until they had gathered their crops. This was granted, upon condition that they obtained the consent of the purchasers, during their good behaviour, and until the sitting of the Volksraad, when their request for ground would be laid before the Volksraad. The others who did not obtain leave to remain were treated as enemies and driven away. But when the sons of Molitzani and their people had reaped their crops, they began to store it in holes which they strongly fortified, and when the purchasers of the farms began to occupy the same they were molested by the very people who had requested as a favour to remain there. They committed acts of violence, and murdered Bush and Krynauuw, as it is said upon the instigation and by the order of Moshesh. I wrote to the Basuto Chief on the subject. His reply was entirely at variance with and in direct contradiction of his former letters. This letter, however, he subsequently requested to be allowed to withdraw. But as several thefts had been committed by the people of Masoepa, son of Moshesh, and others under his immediate jurisdiction, commandoes were called out in August last to clear the annexed territory from the Basutos, according to the Treaty of Thaba Bosigo, to punish the murderers of Bush and Krynauuw, and to teach Moshesh to respect the treaty which he had entered into. Under the disadvantages of drought, and as the Basutos take refuge in strongly fortified holes and caves, the war has lasted some time. The history of the Kafir wars in the Colony has shown that wars with savages are always protracted and costly. But the information which I have obtained from reliable sources shows that the Basutos saw that they could not hold out much longer; and, indeed, the war would have ended long since if the Basutos had not been encouraged by such false representations as are contained in the letter of Sekelo Moshesh, of which I enclose a translated copy.

I sincerely regret that so much suffering should have (*sic*) brought upon the Basutos and others through the breach of the treaty by the Basuto Chief Moshesh, and the thefts and acts of violence committed by his people. Had Moshesh adhered to the Treaty of Thaba Bosigo, as Molappo has to the Treaty of Imperani, of 26th March, 1866, by which he became a subject of the Free State, and as Paulus Mopeli has to the treaty by which he became a subject of the Free State, his people would now be enjoying the blessings and prosperity of peace, and the Government of the Free State would not have been compelled to take up arms and prosecute a costly war, which we all most sincerely deplore. But I hope and trust that the Basutos will now be taught to pay regard to the treaties entered (*sic*) by them, and to respect the lives and property of our people; and when the war has once been brought to a close, there is every prospect that the accumulated revenue will soon enable the Government to place the finances upon a sound basis, and that our people will recover their losses.

With the experience we have of the reliance that can be placed upon the promises of the Basuto Chief Moshesh, I think it would be unsafe to suspend hostilities against the Basutos at the moment that the object of the war is nearly accomplished, and when our arms are, under God's blessing, everywhere successful, trusting merely to the good faith and the inclination and power of Moshesh to make his people comply with the Treaty of Thaba Bosigo. I have therefore written to Moshesh that the war will be prosecuted with vigour until the murderers of Bush and Krynauuw shall have been delivered to the Free State, and the annexed territory shall have been cleared of the Basutos; and I believe that when Moshesh has been taught to pay more regard to treaties, and to prevent his people from constantly stealing, it will have a salutary effect upon the other native tribes, who have always looked up to the Basuto Chief Moshesh.

As Art. 2 of the Convention of 23rd February, 1854. states that Her Majesty's Government has no wish or intention to enter hereafter into any treaties to the north of the Orange River which may be injurious or prejudicial to the interests of the Orange River Government, and as your Excellency's letter of the 20th January, 1866, in which you so kindly offered your services for the conclusion of the war which was brought to a close by the Treaty of Thaba Bosigo on the 3rd April, 1866, states that the reason which has the greatest weight in not accepting Moshesh and his tribe as the subjects of the British Crown, was the consideration of what was fairly due to the Government of the Free State, and not having any reason or ground for inferring a change on that point, I confess that your communication that Moshesh and his tribe are in all probability about to become the subjects of the British Crown has taken me quite by surprise.

I regret that I cannot coincide in your Excellency's opinion that the course proposed will tend to the future general peace of South Africa. As the interest and welfare of the Free State will be so seriously affected by it, I shall avail myself of the extraordinary Session of the Volksraad, which I have called together on the 21st March next, to get the views of that honourable body upon the subject of your letter.

Sir,—Be greeted, and greet Manapo and my children. We still live well, and the war is fighting. With my sight I can discover that we have beaten them, and our country will return to us.

Last month we received a letter from the Governor of the Cape, Sir Ph. Wodehouse. He let us know that he is desirous to come and put an end to our war with the Boers, and to receive us under the Government of Her Ladyship, as we requested once, and also that we should get war implements as well as the Boers. He assured us of his good intentions, and advised us to be staunch and fight till he arrives. The teachers are very glad.

You of course know what the Governor is. As to this intelligence, we look forward to the month of January. With reference to these they were represented to the Natal Government under the Queen's jurisdiction, that they should mediate and bring an end to them in an honourable way, not doing the will of the Free State or the Basutos, by our respected friend, Buchanan, lawyer. They say the boundary will be that of Governor Sir Ph. Wodehouse and Burnett, Esq., of Aliwal North. We fight trusting and expecting. I personally am preparing myself to make a raid into the Free State before peace is established. A great fight has taken place between Theme and Thaba Bosigo; the boers were shamefully overcome.

You must let Mopeli know that since I came to Thaba Bosigo Molitsane's people have been looking after his corn, Maboleli, although our people do not like it, and were it not in the midst of war would create a misunderstanding.

You must also borrow for me from Mopeli the blaze horse that is with Lenyora, as I have no horse to go to the field with. I should prefer your answering me through a messenger from you, so that I will be enabled to communicate to you all the news. Mopeli must remember it is his brother. What I have said is between I and you; I shall be very glad to see somebody from you.

What they once said against you has turned out all lies; every true man does not believe, especially Moshesh.

You must send me lead, caps, and powder. Be greeted by

Your Servant,

Government House, Cape Town, 11th Feb., 1868.

His Honour the President of the Orange Free State.

Sir,—I have the honour to acknowledge the receipt of your letter of the 31st January, in reply to mine of the 13th of that month; and I hope that my motive will not be misunderstood if I abstain altogether from discussing or questioning the description of past transactions given in your letter. I have but one object in view, that of restoring peace, and ensuring the future tranquillity and wellbeing of the British Colonies, the Free State, and the Basutos; and I shall apply myself entirely to the endeavour to obtain the acquiescence of your Government in the course which I believe to be best fitted to promote its attainment.

I gather from your letter that you are unwilling to suspend hostilities until the territory stated to have been conquered and ceded shall have been cleared of the Basutos, and the murderers of Bush and Krynauw shall have been delivered up.

With regard to the first point, I feel sure you will admit that the acquisition of the tract in question will be of little real value to the Free State, unless the latter be in a position to defend it against the Basutos, and to protect the farmers who will be settled in it from constant depredation and loss. I have too clear a recollection of the ruined and abandoned condition of the farms on the old Border, which I visited with you in 1864, to anticipate that the Free State will be able permanently to protect the new territory if the Basutos be left in a state of independence, except by means of the establishment of a Border Force, regularly paid, and entailing a very serious charge on the revenues of the State. I believe that even among the most intelligent inhabitants of the State an impression prevails that the cession of territory demanded from the Basutos is in excess of what true policy would dictate, inasmuch as it would deprive the tribe of a great portion of the land best suited to them, and coop them up in comparatively barren tracts to a degree that would render thieving almost inevitable and necessary for their very existence. I think, therefore, that I may fairly suggest, as deserving of the most serious consideration of your Government, whether the true interests of the State do not point to such negotiation with a friendly Power, on the subject of a modification of the boundary, as will ensure ample consideration of the claims of the State, without rendering permanent peace altogether unattainable.

You are apprehensive, apparently, that no reliance can be placed on the promises of Moshesh until he has been completely vanquished by further hostilities. But I may be allowed to point out that the settlement of all these questions will be removed out of his hands. He has, in reply to the letter which you were good enough to forward to him, placed himself entirely in my hands. Personally I feel that the issue of my arbitration in 1864 gives me some claim to the confidence of the Free State. And I am sure that I shall best consult the wishes of Her Majesty's Government by conducting any negotiations on these matters in a spirit of justice and conciliation. It must be manifest to your Government that if the Basutos be transferred to British rule, confined to a tract insufficient for their support, British control will not prevent depredation. The burthen of self-protection will fall entirely on the Free State, and the relations of the two Governments will become unsatisfactory. If, on the other hand, a fair understanding could be arrived at, the British authorities would, I have no doubt, be able, and would be bound, to maintain a due control over their own subjects, and the people of the Free State would be thus left to enjoy in peace, and without any extraordinary effort on their parts, the lands they have hitherto held on such unprofitable terms.

I am not sufficiently acquainted with the cases of Bush and Krynauw to form an opinion on the proposal to treat them as exceptions to those of the many unfortunate beings who have perished in hostilities which could scarcely be conducted with all the observances of civilized nations. Unquestionably, however, the circumstances must be very strong to admit of their being recognized as impediments to the general pacification for which we are seeking.

The war has throughout been one which has operated most heavily on the defenceless and unoffending; and latterly,—I do not say unnecessarily—the efforts of the Free State have been almost entirely applied to measures having that tendency. The great object has been to destroy the crops and provisions of the Basutos; in other words, to expose to death from starvation the women, the aged, and the children. Surely, under these circumstances, both policy and humanity will be best consulted by our passing over these matters in silence.

In conclusion, let me repeat that I am seeking the welfare of the Free State quite as much as that of the Basutos. I cannot forget that the people of the former were all but a few years ago, as many of them still are, British subjects; that they are the near kinsmen of the people of the Cape Colony; and that any misfortunes that may befal them must to a great extent be shared by the colonists.

And I therefore still allow myself to hope that I may gain the assent of your Government to my present proposals, and that by consenting to suspend hostilities, with a view to negotiation, you may prevent the further unnecessary sacrifice of human life.

I have, &c.,

His Honour the President of the Orange Free State.

Sir,—I cannot allow the post to leave Cape Town without acquainting you with the extreme regret with which I yesterday received a message from Aliwal North, conveyed by telegraph from Graham's Town, that the Free State commandoes were pushing on with the greatest vigour the destruction of the standing crops of the Basutos.

It is melancholy to think that these armed bodies should be devoting their energies to causing the death by starvation of the aged and helpless, and drawing the able-bodied into a state of misery and destitution of all things most calculated to create and prolong thieving and disorders.

The British Government is honestly and earnestly endeavouring to ensure tranquillity. I have already pointed out how mischievous it must be to the people of the Free State if the Basutos should come under British rule without the means of subsistence; and it grieves me greatly to think that at the time when your Government knows well that the arrangements for their reception are actually in progress, it should adopt a course of action directly tending to frustrate our efforts for the good of South Africa.

Government House, Cape Town, 10th March, 1868.

His Honour the President of the Orange Free State.

Sir,—As I have not up to this moment been favoured with any reply to the appeal which, on the 11th February last, I made to you for the suspension of hostilities between the Free State and the Basutos, and as I learn from other quarters that your commandoes have of late been making vigorous efforts for the prosecution of the war, I am unwillingly forced to the conclusion that your Government has no intention of yielding to my representations, and that I ought now to review the past transactions between this Government and the belligerents, and to decide on the course which, under existing circumstances, I ought to follow.

Turning to the past I find that on the 27th April, 1858, after the Free State had been exhausted by a harrassing war, President Boshof wrote as follows to Sir G. Grey:—"Our difficulties seem to increase every day. In the meantime the losses and sufferings of the majority of the people of this State may be irretrievable unless some other (than the Transvaal Republic) powerful intercession may procure us a favourable change, or put a stop to all the bloodshed and spoliation which has already taken place. Anything which your Excellency may be able to do in this respect would be thankfully acknowledged as a humane and Christian act."

On the 6th May following, Sir G. Grey intimated his readiness to meet the President's wishes, and applied for the consent of Moshesh, recommending at the same time temporary suspension of hostilities; and in the month of July, having succeeded with Moshesh, he proceeded to the spot.

The influence of Sir G. Grey was instrumental in obtaining for the Free State on that occasion terms greatly to its advantage; and before he quitted the country he personally inspected and pointed out that portion of the boundary about which alone, at that time there, existed any dispute.

No long interval, however, elapsed before it again became evident that the State was not able, or did not think fit, to make the arrangements necessary for securing its possessions, and by degrees many of the Border farmers, receiving no substantial support from the people of the interior, abandoned their farms to the Basutos, notwithstanding that others of greater firmness and tact remained in prosperity at their homes. In consequence, on the 5th February, 1864, in announcing your assumption of the Presidency, you requested my mediation between the Free State and the Basutos in the following terms:—"If your Excellency would allow yourself to be induced to visit the spot, and in the presence of myself and Moshesh to point out the boundary line between the Free State and Basutoland, from beacon to beacon, harmony would be restored, and both parties would, I am sure, be fully satisfied with, and entirely acquiesce in your Excellency's decision. I assured the Volksraad that your Excellency's well-known kind disposition towards this State and the surrounding tribes inspired me with the confident hope that your Excellency would not hesitate to lend your Excellency's powerful aid in this great and important cause. I know your Excellency's valuable time is fully occupied by other important matters. I am fully sensible of the inconvenience and sacrifices with which a visit to the ground is dispute will necessarily be attended, but these I feel assured do not weigh with your Excellency where so much good may be effected, and such great and lasting benefits may be conferred by your Excellency's gracious consent. . . . . I sincerely hope and trust that your Excellency may be pleased to send a favourable reply, which I most earnestly implore."

In a week from the date of that letter I acceded to the solicitations so earnestly made, and, having obtained from Moshesh an undertaking to abide by my arbitration, I reached Aliwal North on the 16th March following. It then appeared that you had failed to obtain from the Volksraad power to accept unreservedly my award, to which Moshesh had at once agreed; and I declined to proceed with the arbitration, and acquainted you on the 17th March, that, before returning to Graham's Town, I should "take an opportunity of explaining personally to Moshesh the position of affairs, and impressing upon him the necessity for abstaining from all acts calculated to give offence or cause injury to the people of the Free State, pending the final settlement of this question"—which I did.

The necessary powers having been subsequently granted to you by the Volksraad, I again travelled in the latter part of the year to the Frontier, and, with yourself and other Commissioners, went along the disputed Border from its extreme Eastern end. I may here remark that the opportunities thus afforded me of observing the disposition towards each other of the people of the Free State and of the Basutos were quite sufficient to satisfy me there was little prospect of permanent peace, unless, in some form or other, British influence could be more immediately brought to bear upon their relations.

The result of this arbitration, like that of Sir George Grey's, was most favourable to the Free State, and I felt myself fully entitled, in consideration of all that had passed, to recommend your adoption of very moderate measures in claiming the execution of my award. Opinions differ as to the degree of deference paid to that recommendation, but it is certain that the consequence of the steps then taken by the Free State has been this wretched and prolonged war, the evils of which I have already alluded to, and of which I have so long been a reluctant spectator.

By the gracious act of Her Majesty I have at length been enabled to hold out to you the best guarantee within our reach of immunity for the future from the disorders and miseries of the past; and I have done so with the strongest assurances of good will.

Digitized by Google

It is, therefore, most painful for me to find the Free State, disregarding its previous relations with Her Majesty, putting out of sight the good offices of my predecessor and myself and our personal efforts for its welfare, overlooking (which I am not at liberty to overlook) the moderation with which Moshesh, at the request of this Government, consented to waive his superiority over the State in the hour of its weakness—to find the State, thus oblivious of all that is past, and bent on the prosecution of measures which, if successful, must inevitably drive the population of Basutoland, in a state of beggary and destitution, into the Cape Colony on the one side, and to the borders of Natal on the other. I cannot regard such a policy, if persevered in, anything less than an indication of an unfriendly feeling towards the British Government, quite sufficient to absolve me from all observance of the terms of the Convention of the 23rd February, 1854.

When I first became aware of the apparent disregard of my overtures, I directed that no ammunition should be permitted to be removed from our ports to the Free State without my authority. I have not since heard of any application; and conclude that none has been made. And I have now to intimate that I will peremptorily prohibit all issues, and will take such further steps as I may consider conducive to the good government of the country. At the same time I make this announcement with the utmost regret.

I fear that if I were to delay it, on the eve of the opening of the Session of the Volksraad, I might subject myself to a charge of having deceived you. And I repeat the assurance of my readiness and my desire to enter into negotiations with your Government with a view to the establishment of a friendly understanding on all points at issue.

The Great Chief MOSHESH, Basutoland.

GREAT CHIEF,—It gives me much satisfaction to be enabled to inform you that Her Majesty the Queen has been graciously pleased to accede to the request so frequently made by you, that you and your Tribe should be received as subjects of the British Throne. It has long been my desire to see this change accomplished, and I doubt not that, with the cordial co-operation of yourself and the Basuto Chiefs and people, the arrangement may be concluded on terms which will ensure the future peace and prosperity of yourselves and of your neighbours.

It is Her Majesty's pleasure that Basutoland shall, if practicable, hereafter form part of the Colony of Natal But the duty of carrying out the negotiation has been entrusted to me. And I trust that I may be enabled, towards the end of March, or beginning of April next, to visit Basutoland, and then discuss with yourself and your people the details of the arrangement.

In the meantime I have acquainted the President of the Free State with the decision of Her Majesty, and have suggested the suspension of hostilities; and I have no doubt that, if my recommendation be well received by him. you will impress on your people the imperative necessity of their abstaining from all acts of an unfriendly nature towards the people of the Free State.

His Excellency Sir P. E. WODEHOUSE, K.C.B.,
Governor and High Commissioner.

SIR,—I have received your Excellency's letter dated Cape Town, 13th of January. I have not words enough to tell your Excellency how exceedingly welcome has been the good news which your Excellency has favoured me with. The whole of my Tribe, all the Chiefs of Basutoland, and myself more than anyone, we are all glad We have now before us the prospect of a lasting peace, of a continued prosperity, which now for about three years has been an unknown thing to us. I have become old, therefore I am glad that my people should have been allowed to rest and live under the large folds of the flag of England before I am no more.

I beg that your Excellency would be so kind as to transmit to Her Majesty the Queen, now become my Queen and the Queen of my people, the sincerest and warmest thanks of myself and children and tribe. I beg your Excellency also to receive for yourself the warmest thanks for the interest you have manifested towards our welfare ever since you came to South Africa, as well as for your great kindness in having transmitted to the Queen my request to be received as British subject.

As to the details of all necessary arrangements, of which your Excellency speaks in your favour of the 13th inst., I leave everything in your hands. I trust entirely to your Excellency's wiedom and goodness. It matters little to us to know to what Colony Basutoland is to be annexed, so long as we are under British protection and rule Since the Queen has decided that Basutoland shall form part of the Colony of Natal, it is all right, we are content

I do not know, as yet, how the President of the Free State will act on the receipt of the letter by which your Excellency informs him of the Queen's decision. I know of a certainty that a few weeks ago Mr. Brand boasted that, your Excellency having intimated to him your intention to receive the Basuto nation under British rule, he had written back to Cape Town to say that he could not allow the English Government to interfere in any way; and he added that we were only deceiving ourselves in believing that the English Government could do anything for us. I trust that this may not be the case, and that Mr. Brand will, at your Excellency's suggestion, at once put a stop to war. As for myself, your Excellency may be assured that as soon as the President of the Free State suspend hostilities, I shall at once give strict orders to my people to abstain from all acts of an unfriendly nature towards the people of the Free State.

Believe me, &c.,

Government House, Cape Town, 11th February, 1868.

The Great Chief MOSHESH, Basutoland.

GREAT CHIEF,—I have just received your letter of the 26th January, and am much pleased to learn that the prospect of becoming the subject of Her Majesty the Queen affords you such gratification.

I learn from the President of the Free State that he is unwilling to suspend hostilities except on certain conditions, and I have earnestly endeavoured to induce him to waive them, and to leave all questions to be settled by negotiation.

In the meantime, and until you learn from the President that he will consent to a truce, you will see the necessity of maintaining the best defence in your power.

I shall certainly visit Basutoland in April.

I am, &c.,

(Signed) P. E. WODEHOUSE,
Governor and High Commissioner.

In the Court of the Eastern Districts
of the Cape of Good Hope.

The Honourable PETRUS JOHANNES DENYSSEN, Esq., Senior Judge, and the Honourable JAMES COLEMAN FITZPATRICK, Esq., the Judges of the Court of the Eastern Districts of the Cape of Good Hope, do hereby make known :—

THAT DANIEL SWIFT, formerly of Graham's Town, but now supposed to be in the territory of the Orange Free State, or elsewhere beyond the jurisdiction of this Court, and of the Courts of this Colony, having been summoned by Edict by SARAH SWIFT (born GEES) his Wife, of Graham's Town, to appear, in Person or by proxy, before this Honourable Court on the 29th day of February, 1868, at 10 o'clock in the forenoon, at Graham's Town, to show cause why the Bonds of Marriage heretofore and now still subsisting between him and the said SARAH SWIFT shall not, by order of this Court, be dissolved, by reason that the said DANIEL SWIFT did wrongfully, during their said marriage at Graham's Town, to wit,—the 8th day of July, 1866, commit adultery with a certain Hottentot Woman whose name is to the said SARAH SWIFT unknown; and, further, to show cause, if any, why she may not be declared at liberty, if so minded, to contract another marriage; and that this Honourable Court would further be pleased to grant to her such further or other relief as to it shall seem expedient in the Premises, with costs; and, further, to proceed according to law, without the said DANIEL SWIFT, or any one on his behalf, having appeared,—in consequence whereof the said SARAH SWIFT, by her Advocate, requested the second default, with the profit thereof, and a third Summons:

Wherefore we have granted to the said SARAH SWIFT, and it is hereby granted accordingly, the second default, with the profit thereof, and have further thought proper to summon, and do hereby summon, the said DANIEL SWIFT, for the third time by Public Edict, to appear in the said Court of the Eastern Districts of the Cape of Good Hope, at Graham's Town, on Friday, the 15th day of May, 1868, at 10 o'clock in the forenoon, to purge his second default; and, further, to hear such claim and conclusion as the said SARAH SWIFT shall think fit and proper to make.

Thus done and granted in the Court of the Eastern Districts, at Graham's Town, this 4th day of March, 1868.

C. H. HUNTLEY,
Registrar of the Court of the Eastern District.

Geo. GR. WRIGHT, Attorney for the said SARAH SWIFT, High-street, Graham's Town.

TUESDAY, MARCH 17, 1868.

GOVERNMENT NOTICE.—No. 87, 1868.

Colonial Office, Cape of Good Hope,
16th March, 1868.

WITH reference to Government Notice No. 81, of the 12th instant, publishing a Correspondence with the President of the Orange Free State and the Chief of the Basutos, relative to the admission of that Tribe into the allegiance of Her Majesty, His Excellency the Governor directs the publication of the following Correspondence which has since passed on the same subject.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

COPY.]

Bloemfontein, 3rd March, 1868.

To His Excellency the Governor of the Cape of Good Hope.

SIR,—I have the honour to acknowledge the receipt of your letters of the 11th and 18th last, which, owing to my absence on Commando, only reached me on my return from the Kieme on the 1st instant.

Fully participating in, and highly appreciating, your kindly sentiments as to the friendly associations and kindred ties which exist between Her Majesty's Government, the Cape Colony, Natal, and the Orange Free State, I shall endeavour to reply to your letters in the same spirit in which they are written.

In discussing the present question, it is absolutely necessary to revert to and dwell upon past transactions.

When Her Majesty's Government in 1854 determined to abandon the Sovereignty, and by the Convention of the 23rd February, 1854, declared the Orange Free State an independent country, the whole onus and responsibility of dealing with our troublesome Basuto neighbours was entirely thrown upon our young community, when many questions which had caused and were still likely to cause great difficulty remained still unsettled.

The thievish propensities and hostile bearing of the Basutos having became intolerable, brought on war, which was concluded by the treaty of Aliwal in 1858.

That treaty was soon broken by the Basutos, who pretended to be perfectly ignorant of the boundary line defined by that treaty. They continually encroached upon and trespassed upon the farms, for which the owners held British land certificates. Every effort was made by the Orange Free State, at great cost, to come to an amicable understanding, but in vain. At last, in 1864, by mutual consent of the Government of the Orange Free State and of the Basuto chief Moshesh, you were called in as arbitrator, with full power to settle the boundary question. With your usual kindness you readily undertook the task, visited the territory in dispute, satisfied yourself of the justice of our claim, and gave your award entirely in our favour. The opinion which you entertained of the conduct of the Basuto chief Moshesh and his people is clearly expressed in your letter to that chief of the 28th October, 1864.

In my former letters, and more particularly in that of the 23rd February, 1866, I stated how faithlessly the Basuto chief Moshesh acted against the award which he had promised and agreed to respect. It is well known that after the award was made known the Basutos determined to avail themselves of the first opportunity to render that decision ineffectual. By their hostile bearing and acts of theft and aggression, the Government of the Orange Free State was compelled to take up arms.

Indeed, it is certain that had our Government deferred drawing the sword, the Basutos would as soon as they had gathered their harvest have commenced the war. The Basutos were then impressed with the idea that by their numbers and power they could annihilate the Orange Free State. They are now, however, convinced of their error. The war lasted eleven months. The Basutos admitted that they could not fight any longer against the Orange Free State, Molappo sued for peace, was received as a subject of the Orange Free State, and he and his people are now, I am glad to say, enjoying the happiness and prosperity of peace. Seeing that he could not any longer contend against our Government, Moshesh sued for peace. The war having been brought on by the acts of theft and aggression of the Basutos, at great cost to the Orange Free State, it was necessary that the Basutos should be mulcted in at least part of the costs.

When Moshesh sued for peace he was distinctly told that a condition *sine quâ non* was the recognition of the line proclaimed by our Government. The correspondence which passed before the Treaty of Thaba Bosigo was signed clearly shows that there could be no doubt or misunderstanding on that point. When he had agreed to do so, the Government of the Orange Free State modified its claim of cattle on account of war expenses. No one who was present at the signing of the Treaty of Thaba Bosigo can have the slightest doubt that Moshesh and his Councillors fully understood that the tract of country mentioned in Art. 1 of the Treaty of Thaba Bosigo of 3rd April, 1866, was ceded to our Government. And the correspondence which passed between the Government of the Orange Free State and the Basuto Chief, shortly after the treaty, clearly proves that he was then fully aware of the cession which had been made by that treaty. Indeed the reiterated applications of Captain Letsea, Mopeli, and Molitzani, all show that they fully understood and assented to the line described in the treaty of Thaba Bosigo.

The principal reason which induced the Government of the Orange Free State not at once to receive these captains and their people as subjects of our Government was, because proof had not been given by them that the fine imposed by the British Government upon the Basuto Chief Moshesh, for the raid into Natal, had been paid and satisfied.

Molitzani applied in most urgent terms that he might be allowed a piece of ground where he could live as a subject of the Orange Free State. The unsatisfied fine imposed for the Natal raid was an obstacle. But anxious to do what we could for him, Molitzani and his people received leave to remain on this side of the Caledon River, pending the inspection of the annexed territory. And they were told that if the purchasers of the farms were willing to allow them to remain in small parties on their farms, the Government would not object as long as they behaved themselves, and that at the sitting of the Volksraad their request for ground would be considered. After the ground had been inspected and sold, the purchasers were called upon to occupy, and as several Basutos had, without leave or licence, squatted on the inspected farms in the annexed territory, a Commando was called out to clear the annexed territory, in terms of Art. 2 of the Treaty of Thaba Bosigo, to enable the purchasers to occupy their farms. The sons of Molitzani, who had sown with the full knowledge of the risk they ran on the annexed territory, in the hope that the owners of the farms would allow them to reap only a part, begged that their crops might be spared. Our Government allowed them to remain there until the sitting of the Volksraad, provided they obtained the consent of the owners, and there were no complaints against them. The Volksraad having considered their request, authorized me to procure some suitable farms in the open country of Kroonstad, or near Liebenbensvlei, where the same facilities for hiding stolen cattle did not exist as in the caves with which the Korannaberg abounds. But when they had gained their object and had gathered their corn, which had been spared upon their promises of future good behaviour and their readiness and willingness to remove whenever ordered to do so, they assumed quite a different attitude.

The crops of Mopeli's people were spared upon the same terms and conditions as were prescribed to Molitzani's people. On the 1st July, 1867, Mopeli was received as a subject of the Orange Free State and is now enjoying the comforts of peace in Wetzie's Hoek.

The other Basutos who squatted on the annexed territory were driven away by force. The crops which they had sown in bad faith on the annexed territory were destroyed. And seeing the folly of attempting to sow, where they would not be allowed to reap, they have quitted the annexed territory, and taken very good care not to encroach there again.

After the conclusion of the Treaty of Thaba Bosigo, Letsea applied to be received as a subject of the Orange Free State. The unsatisfied fine for the Natal raid was urged as a difficulty, and he was advised to pay that fine, when his request would be considered if he had shown by his conduct that he was deserving of favourable consideration. At his urgent request he and his people were allowed to remain in the annexed territory, and to reap their crops during the time which must necessarily elapse between the inspection of that part of the annexed territory and the sale and occupation of the farms. In May, 1867, the Volksraad granted Letsea's reiterated request upon his representation, which I was afterwards informed by His Excellency the Lieut-Governor of Natal was wholly unwarranted, that an indulgence of seven years had been granted for the payment of the fine for the Natal raid. On the 22nd May, 1867, Letsea was received as a subject of the Orange Free State, a sufficient tract of country was granted to him and his people to live on, upon the same terms and conditions as are contained in the Treaty of Imperani, of 26th March, 1866, by which Molappo became a subject of the Orange Free State. Letsea's request that Makwaai, one of his subordinates, might be allowed a month to remove from the mountain, where he then squatted, was granted; but Letsea and his people, like Molitzani and his sons, having stored their corn instead of bestowing their time upon more profitable employment, occupied themselves with building schansen and thick walls before the caves and on the mountain fastnesses. The Commandant whom Letsea had agreed to receive was quietly dismissed by him, his agreement about Makwaai was not fulfilled, and it soon became clear that Letsea was a faithless subject.

In the month of June, 1867, Bush, an English trader, went to Mequatling, and was cruelly murdered there in cold blood by the son of Marahabi, the son of Molitzani. A letter was written to Moshesh, asking for the extradition of the murderer in terms of Art. 6 of the Treaty of Thaba Bosigo. But without effect. Shortly afterwards, in the month of July, of the same year, Krynaauw was treacherously murdered in open day, whilst he was working in his garden in the annexed territory, by a party of Basutos led by Rantsani, the son of Molitzani.

The shameful manner in which Molitzani and his people had acted, the murder of Bush and Krynaauw, the disgraceful way in which Letsea had broken the agreement by which he was received as a subject of the Orange Free State, the numerous acts of theft and violence committed about this time by the people of Mosopa, the breach of the Treaty of Thaba Bosigo by Moshesh, and his non-compliance with the first demands of the Orange Free State compelled our Government again to draw the sword in the month of August, 1867. War is always deplorable, it causes suffering, deprivation, and misery. To a young State like ours it is a sad thing, on account of the great sacrifice and costs which it brings upon our Government and people. But the conduct of the Basutos rendered it absolutely necessary. For the miseries and suffering caused by this war the Basutos and their chief Moshesh, are alone accountable. It was by their evil deeds that the war was brought on. The death of the Basutos who were killed and wounded in the taking of the several schansen and fortified caves of Koranna-berg, of Marahabi's hole, of Platberg and of Langberg, and in the storming and taking of Makwaai-berg, of Tandjesberg, and of the Kieme, must be laid at the door of the Basuto chief Moshesh. The number of women made widows (rendered greater by the curse of Basutoland, polygamy), and the suffering and misery so forcibly depicted in your letter, are the results of the faithlessness of the Basuto chief and his people. Several of the women who were spoken to by our people plainly stated that all the present evils were brought upon them by the "naughty children of Moshesh." The destitute can, however, always find employment in the Orange Free State, as several Basutos have taken refuge in the Orange Free State, after the war of 1866, and are now living there contented and happy.

The annexed territory described in Art. 1 of the Treaty of Thaba Bosigo has now, I am happy to say, been entirely cleared,—the mountain fastnesses and caves, which the Basutos had strongly fortified by thickly masoned walls, and which they deemed quite impregnable, have, I am glad to say, all been taken and cleared, the schanzen and walls have been broken down, and as it is necessary to show them that it will be in vain to attempt again to encroach upon the annexed territory, the crops which have been sown must be destroyed.

The Basutos have been beaten in every engagement. They have long since been convinced that they cannot hold out against the Orange Free State. Within a

short time the Basutos will be so subdued and humbled that they will take very good care not to provoke another war with the Government and people of the Orange Free State,

The annexed territory has now been cleared by our forces, but the murderers of Bush and Krynauw have not yet been delivered over to the authorities of the Orange Free State. Until that is done the war with the Basutos must be carried on with vigour, and as the conduct of Moshesh and his people has brought on the war, and as he has not complied with the just demands of our Government, it is also necessary that he should pay a certain amount of cattle as war expenses. As soon as Moshesh has complied with these demands the Orange Free State Government will grant him peace; to suspend hostilities before this has been done would be ruin to the Orange Free State.

The Government and people of the Orange Free State have shown that they can subdue the Basutos, and that they are able and determined to hold their own against them. The Volksraad has already voted funds for the establishment of a Border Force, to prevent squatting and thefts.

The testimony of our commandants and people who have traversed Basutoland from one end to the other, will shew that the Basutos have quite sufficient land. Mopeli has been placed in Witzie's Hoek. Molappo has sufficient ground for his people, the people of Bushuli have nearly all been killed in the taking of Tandjesberg, Makwasi has left Basutoland, as I have been informed, several Basutos have gone to the Cape Colony, and many others, availing themselves of the opening granted by our Government, have taken service with our Burghers, so that the number of Basutos with Moshesh is very much reduced from what it was in 1864.

Experience has shown that the destruction of the standing crops sown *mala fide* in the conquered and annexed territory is absolutely necessary to the peaceful occupation. Our forces have always shown themselves eager to measure their strength with the Basutos, but the Basutos have always hid themselves in strongly fortified holes and in mountain fastnesses, and dare not show themselves in fair open fight. The taking of Makwasisberg, of Tandjesberg, and the Kieme show that our forces devote their energies to subdue the treacherous Basutos, and to lay the foundation of a substantial and lasting peace for South Africa. I have already stated that for the misery and suffering caused by the war provoked by Moshesh and his people, they are accountable.

In conclusion, I beg to state that the only information of which the Government of the Orange Free State is in possession is the announcement contained in your letter of the 13th January, that in all probability Moshesh and his tribe are about to become subjects of the British Throne. Our Government knows not what arrangements or negotiations are going on, and indeed looking to the articles of the Convention of the 23rd January, 1854, and to the principles of international law, considering the kindred ties and friendly feelings which always have existed, and which I trust will always continue to exist between the Government and people of the Cape Colony and of the Orange Free State, our Government cannot conceive that a neutral and friendly power will enter into any arrangement or adopt a course of action having the tendency, however remotely, to embarrass the Government of the Orange Free State in obtaining satisfaction from the Basuto chief Moshesh, with whom we are at the present moment engaged in a war, provoked by his breach of treaties, and the acts of violence and theft committed by his people at his instigation, or with his connivance, at a time, too, when the Government and people of the Orange Free State have very nearly succeeded in vanquishing our enemy.

The Basuto chief and his people would long since have sued for peace if they did not entertain the mistaken notion that His Excellency the Governor of the Cape of Good Hope would give them back the old line of Major Warden.

His Honour the President of the Free State.

Sir,—I have the honour to acknowledge the receipt of your letter of the 3rd instant, and having in my communication of the 10th already described the circumstances which led to the conclusion of the Treaty of Aliwal in 1858, and to my intervention between the Free State and the Basutos in 1864, and having acquainted you with the forebodings of further strife between them which I then entertained, it seems useless for me to enter into further discussion on those points.

You now inform me that until the murderers of Bush and Krynauw have been delivered over to you, and until Moshesh has further paid a quantity of cattle as war expenses, the war must be carried on with vigour.

I very deeply regret this determination on the part of the Free State Government; but bearing in mind that Moshesh has twice consented to spare the Free State at the request of this Government, whose intervention had in both cases been solicited in the most pressing terms by the Free State, I have felt myself bound to comply with his entreaties, that I will at once give effect to Her Majesty's gracious intentions in his favour. And I, therefore, now enclose a copy of a Proclamation, published yesterday, declaring the Basutos to be the subjects of Her Majesty.

In so doing I think I ought to notice that paragraph of your last letter, in which you observe: "In conclusion, I beg to state that the only information of which the Government of the Orange Free State is in possession is the announcement contained in your letter of the 13th January, that in all probability Moseeh and his tribe are about to become subjects of the British Throne. Our Government know not what arrangements are going on."

In my letter of the 13th January I informed you that Her Majesty had been pleased to authorise me to make arrangements for Moshesh and his tribe becoming British subjects. Moshesh immediately forwarded to you a copy of my letter to him, and as a consequence proposed suspension of hostilities as I recommended.

On the 11th February I informed you that he had placed himself entirely in my hands. The actual Proclamation was delayed from my wish to act with due courtesy to your Government as well as to communicate with the Government of Natal.

I entertain still the strongest desire to communicate unreservedly with you with a view to the satisfactory settlement of these affairs.

GOVERNMENT NOTICE.—No. 78, 1868.

Colonial Office, Cape of Good Hope,
9th March, 1868.

HIS Excellency the Governor has directed the publication of the following Dispatch, received from the Right Honourable the Secretary of State for the Colonies, for general information.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

Circular.—Cape.

Downing-street, 21st December, 1868.

Governor Sir P. E. Wodehouse, K.C.B.

Extract 11th Nov., 1867.

Sir,—I transmit to you herewith an extract of a Dispatch from Her Majesty's Consul at Baltimore, reporting that the Shipping-Masters at that Port refuse to ship a White Crew on board any Vessel in which a Coloured Seaman is serving; together with

Foreign Office, 30th Nov., 1867.

a copy of the answer which has been returned to that Dispatch.

It will be desirable that you should take such steps as may be necessary for giving publicity to the state of things disclosed in this correspondence, and for warning Shipowners in the Colony under your Government of the course pursued by the Baltimore Shipping Masters.

I have, &c.,

(Signed) BUCKINGHAM CHANDOS.

Extracts of a Letter from Mr. Consul Rainals *to Lord* Stanley, *dated British Consulate, Baltimore, 11th November*, 1867, *No* 25.

"Hitherto white and coloured seamen have been shipped indiscriminately on board the same vessel; whereas now the shipping-masters and the boarding-house-keepers have, at a period when trade is extremely dull, and seamen consequently plentiful, determined not to ship a white man on board the same vessel with a coloured man; and their combined power in the matter cannot be counteracted by any means at my command, as through their medium alone can seamen be obtained.

"In order to illustrate the practical result of such combination, I have the honour to submit to your Lordship's consideration a case of recent date.

"The British ship *R. B. Mulhall* arrived here a short time ago with a mixed crew of white and coloured seamen shipped at Liverpool, Nova Scotia, for a term of twelve months. Soon after her arrival, several of the men deserted (as is invariably the case here), but one coloured man and two white men remained by her. When she was nearly ready for sea the captain told me that the shipping-masters positively refused to ship a white crew on board the vessel so long as the coloured man remained there.

"This coloured man, the captain informed me, was an excellent seaman, whose services he was as anxious to retain as the man was desirous to remain by the vessel until the expiration of his term of service.

* * * * * *

"My instructions give me no authority to compel a seaman to leave a ship without just cause, and yet I felt that, the case being without a precedent, as far as I am concerned, I should not be justified in delaying the departure of the vessel for an indefinite period. I therefore determined, if necessary, to take some responsibility on myself by discharging the coloured seaman and sending him home at the ship's expense.

"Fortunately, however, I was later able to persuade him to take his discharge, on payment of additional wages. And the matter was so settled.

* * * * * *

"Under these circumstances I would solicit your Lordship's instructions as to the means I may be permitted to adopt if cases of a similar nature present themselves again, but when the coloured seamen insist on remaining on board the vessel until their time of service shall have expired."

Mr. Hammond *to Mr. Consul* Rainals.

"Foreign Office, 30th November, 1867.

"H. T. A. Rainals, Esq., Her Majesty's Consul, Baltimore.

"Sir,—I am directed by Lord Stanley to acknowledge the receipt of your Dispatch, No. 25, of the 11th inst., reporting a difficulty which had arisen in consequence of the refusal of the shipping-masters at Baltimore to ship a white crew on board the British vessel *R. B. Mulhall*, as long as a coloured seaman remained on board that vessel.

"As it appears from your Dispatch that the negro in question subsequently accepted his discharge, it is unnecessary for Lord Stanley to make any observation on this particular case; but in reply to your request for instructions as to the course you should adopt in any similar case in future, I am to state to you that this is not a matter in which Her Majesty's Government can interfere. Your powers as Consul are clearly defined by the "Merchant Shipping Act," and you can only remove a seaman from a British ship as ordered by that Act.

"Coloured seamen being British subjects are in all respects to be treated as other seamen.

"It must therefore be left to the masters and owners of ships to adopt such measures as they may think best calculated to obviate the difficulties caused by the course pursued by the Baltimore shipping-masters; and in order that British and Colonial Shipowners may be warned of the necessity of taking such measures, Lord Stanley has caused a copy of your Dispatch to be communicated to the Colonial Office and to the Board of Trade.

"I am, &c.,

"(Signed) E. HAMMOND."

KOPIE.]

Gouvernementshuis, Kaapstad, 13 Januarij, 1868.

Aan Zijn Hoog-Edele den President van den Oranje Vrijstaat.

MIJNHEER,—Ik ben overtuigd dat het Gouvernement van den Oranje Vrijstaat reeds lang bewust moet zijn geworden, door de mededeelingen, welke ik van tijd tot tijd de eer had u te doen, omtrent het groote belang met 't welk Harer Majesteits Gouvernement en ik zelf de langdurige vijandelijkheden heb gadegeslagen, die plaats vonden tusschen uwen Staat en de Basutos, en gij zult gereedelijk gelooven, dat wij voortdurend angstig hebben uitgezien naar eene gelegenheid, die zich mogt voordoen, om onze goede diensten aan te bieden tot oplossing van het geschil, hetwelk ontelbare ellendige vluchtelingen naar deze Kolonie heeft gevoerd om eene schuilplaats te zoeken, 't welk onze betrekkingen met onze naburen heeft bemoeilijkt, hetwelk vreeselijk en aanhoudend lijden heeft berokkend aan oude en hulpeloozе leden der Basuto natie; hetwelk zulke zware verliezen heeft aangedaan aan de verdienstelijke zendelingen, die zoolang onder hen werkten, en hetwelk zelfs het Gouvernement en het volk van den Vrijstaat in schulden en moeijelijkheden heeft gebragt, van welke beide zich in de eerste jaren niet ligtelijk kunnen herstellen.

I kan u in alle opregtheid verzekeren, dat wij al de handelingen hebben gadegeslagen zonder de minste gedachte aan vermeerdering van koloniaal grondgebied, of aan eenig ander gevolg van onze tusschenkomst, dan de herstelling en het behoud des algemeenen vredes.

Doch het was sinds lang mijne beschouwing dat de bereiking van dat doel kon verkregen worden met het minste nadeel van allen en met het meeste gemak in ieder opzigt, wanneer Harer Majesteits Gouvernement de aanbiedingen aannam, welke het Opperhoofd Moshesh zoo herhaaldelijk deed, om met zijn volk onderdanen te worden van Hare Majesteit de Koningin, en het is derhalve met de meeste ingenomenheid dat ik mij gemagtigd vindt uw Gouvernement mede te deelen, dat het Hare Majesteit behaagd heeft mij volmagt te geven om stappen te nemen tot het volvoeren van zoodanige schikking.

Ik hoop zeer ernstig dat deze mededeeling er toe moge leiden uw Gouvernement te bewegen de vijandelijkheden te staken met hen, die naar alle waarschijnlijkheid onderdanen zullen worden van eene mogendheid, welke met de meest vriendschappelijke gevoelens jegens den Vrijstaat is bezield, en die zal trachten bij het ten uitvoer brengen dezer schikking de meest mogelijke opmerkzaamheid te schenken aan de billijke eischen van dien Staat, en om alle voorzorgen te nemen tegen eene vernieuwing dier wanordelijkheden op de grenzen welke tot zulke herhaalde klagten aanleiding gaven, en uiteindelijk den tegenwoordigen oorlog veroorzaakten.

Ik zal het Opperhoofd Moshesh bekend maken, dat ik de beschouwingen aan u onderworpen heb, en zal hem met nadruk op de noodzakelijkheid wijzen, dat hij ter goeder trouw eenig voorstel moet opnemen, welke het u moge behagen aan hem aangaande een wapenstilstand te doen, en dat hij zich alle moeite gave om zijn volk van iedere daad van geweld terug te houden, zoolang geene beslissende oplossing plaats hebbe.

Ten laatste wenschte ik in bedenking te geven, daar ik geloof dat in de volgende maand eene zitting van den Volksraad moet gehouden worden, om alsdan bij dat ligchaam aanzoek te doen tot het verkrijgen van eene algemeene volmag om namens den Vrijstaat hetzij met mij, hetzij met eenig persoon daartoe door mij gemagtigd, over alle zaken te onderhandelen, welke met dit onderwerp in verband staan, en ik hoop in staat te zijn Basutoland te bezoeken tegen het einde van Maart of 't begin van April aanst.

Ik heb, enz.,

KOPIE.]

Bloemfontein, 31 Januarij, 1868.

Zijne Excellentie den Gouverneur der Kaap de Goede Hoop.

MIJNHEER,—De ontvangst erkennende van uwen brief, dd. 13 ll., zoo denk ik, dat het noodzakelijk zal wezen kortelijks de omstandigheden te vermelden, welke den tegenwoordigen oorlog met de Basutos hebben veroorzaakt.

Toen het Basuto Opperhoofd Moshesh in April, 1866, zich gedrongen zag om vrede te smeeken, gaf het Gouvernement van den Vrijstaat hem uitdrukkelijk te kennen, dat hetzelve geene vredesonderhandelingen zoude aanvangen, tenzij hij goed vond schriftelijk het grondgebied te erkennen, 't welk door den Kommandant-Generaal Fick was geproklameerd aangehecht te zijn bij den Vrijstaat. Nadat hij daarin toegestemd had, werd eene bijeenkomst gehouden en werd het tractaat van Thaba Bosigo gesloten. Bij artikel 1 van het traktaat van Thaba Bosigo erkent het Opperhoofd Moshesh het grondgebied, 't welk door Kommandant Generaal J. J. Fick bij proklamatie was aangehecht, eene proklamatie, welke later door ZHEd. den Staatspresident, met consent en advies van den Uitvoerenden Raad was bevestigd, en ten slotte op 7 Februarij, 1866, uiteindelijk besluit van den Volksraad was bekrachtigd, waardoor het aan den Oranje Vrijstaat is gehecht en voortaan een deel van denzelven zal uitmaken. Ten gevolge hiervan zoude de lijn tusschen den Oranje Vrijstaat en Basutoland zijn als volgt:—Van Bamboesplaat nabij Bamboespruit met een regte lijn van drie mijlen ten oosten van Letsea's nieuwe stad, van daar met een regte lijn noordwaarts naar de Caledonrivier, en met de Caledon op naar de Putizani, met de Putizanie op tot haren oorsprong, en van daar langs den Drakensberg tot aan de Natalsche grens.

Nadat het aangehechte grondgebeid was opgemeten en in plaatsen verdeeld, en de verkoop dezer plaatsen geschied was, riep het Gouvt. van den Vrijstaat op zekeren dag de koopers op, om zich op de aangeduide plekken te verzamelen, ten einde hunne plaatsen in hezit te nemen. Doch daar de koopers door de Basutos werden verontrust, werd een kommando opgeroepen om den aangehechten grond te zuiveren in gevolge art. 2 van 't traktaat, waarbij het Opperhoofd Moshesh zich verbond om den geproclameerden grond, gelijk dezelve bepaald was in art. 1, onmiddellijk door zijn volk te doen ontruimen, zullende zij, die in gebreke bleven aan deze voorwaarde te voldoen, als vijanden moeten beschouwd worden, en verdreven worden door de gewapende magt van den Oranje Vrijstaat, zonder dat zulks aanleiding zou geven tot eenige vijandelijke tusschenkomst van het Opperhoofd Moshesh of van zijn volk. Moshesh ontving berigt van ons Gouvernement dat het kommando alleenlijk was opgeroepen om den grond te zuiveren in gevolge art. 2 van 't tractaat.

De zonen van Molitzani, die geplakt hadden in het aangehechte grondgebied, en daar gezaaid hadden in de hoop dat de koopers hun souden vergunnen te oogsten, verzochten om vergunning aldaar te blijven tot dat zij den oogst binnen hadden. Dat werd hun toegestaan op voorwaarde dat zij de toestemming zouden erlangen van de koopers, en dat zij zich goed zouden gedragen tot aan de zitting van den Volksraad, in welke hun verzoek om grond voor dat ligchaam zoude gelegd worden. De andere welke dat verlof tot blijven niet konden bekomen, zouden als vijanden beschouwd worden. Maar zoodra Molitzani's zonen en zijn volk geoogst hadden, bragten zij het in spelonken welke zij sterk verschansten en toen de koopers der plaatsen dezelve begonnen te occuperen, werden zij verontrust door hetzelfde volk, 't welk als eene gunst had verzocht daar te mogen blijven; 't zelve pleegde daden van geweld en vermoorden Bush en Krijnaauw, gelijk men beweert, op aanraden of order van Moshesh. Ik schreef over dit onderwerp aan het Basuto Opperhoofd. Zijn antwoord was geheel en al verschillend en in tegenspraak met mijne vroegere brieven. Later evenwel verzocht hij dezen brief terug te mogen trekken. Doch daar verscheidene diefstallen werden gepleegd door 't volk van Masoepa, een zoon van Moshesh, en andere onder zijn onmiddelijk bevel, zoo werden in Augustus ll. kommandos opgeroepen om het aangehechte grondgebied te zuiveren van de Basutos, in overeenstemming met het Traktaat van Thaba Bosigo, de moordenaars van Bush en Krijnaauw te straffen, en Moshesh te leeren een traktaat te eerbiedigen, 't welk hij had aangegaan.

Ten gevolge der droogte en dewijl de Basutos zich verschuilen in sterk verschanste spelonken en holen, ging de oorlog langzaam aan; de geschiedenis der Kaffer-oorlogen in de Kolonie heeft bewezen dat de krijg met de barbaren altijd langdurig en kostbaar is. Maar de inlichtingen, welke ik uit geloofbare bronnen ontving, leiden dat de Basutos begrepen dat zij het niet lang meer konden uithouden. En inderdaad de oorlog ware reeds lang geëindigd, indien de Basutos niet ware aangemoedigd geweest door zulke valsche voorstellingen als vervat zijn in een brief van Sekeio Moshesh, van welken ik eene vertaalde kopie insluit.

Innig betreur ik dat zoo veel ellende gebragt werd over de Basutos en anderen, doordien het Opperhoofd Moshesh het traktaat verbrak en door de diefstallen en gewelddadigheden welke zijn volk bedreef. Ware het Opperhoofd Moshesh getrouw geble en aan het traktaat van Thaba Bosigo, gelijk Molapo deed aan dat van Imdesani van 26 Maart, 1866, waardoor hij onderdaan werd van den Oranje Vrijstaat, dan zoude zijn volk zich nu verheugen in de zegeningen van vo rspoed en vrede, en de Regering van den Oranje Vrijstaat niet gedwongen zijn gewrest de wapenen op te vatten en eenen kostbaren oorlog aan te vangen, welken wij allen diep betreuren. Doch ik hoop en vertrouw, dat de Basutos nu zullen geleerd hebben aangegane traktaten te eerbiedigen en het leven en de bezittingen te ontzien, en wanneer de oorlog eenmaal ten einde zal gebragt wezen, dan is er elk vooruitzigt dat de toekomende inkomsten de Regering zullen in staat stellen het financiewezen op een goeden grondslag te vestigen, en dat onze burgers zich van hunne verliezen zullen herstellen.

Met de ondervinding, welke wij hebben aangaande het vertrouwen, hetwelk in de beloften van het Basuto Opperhoofd Moshesh kan geplaatst worden, denk ik dat het onveilig zoude wezen de vijandelijkheden te staken, op een oogenblik, dat het doel van den krijg bijkans bereikt is, en dat onze troepen elders zegen overal zegevieren, om alleen te verschijnen voor het traktaat van Thaba Bosigo na te komen.

Ik heb derhalve aan Moshesh [illegible]

krachт zal doorgezet worden, totdat de moordenaren van Bush en Krijnauw zijn uitgeleverd, en het aangehechte grondgebied van Basutos zal zijn gezuiverd, terwijl ik geloof, dat als Moshesh geleerd zal hebben tractaten meer te eerbiedigen en aan zijn volk het voordurend stelen te beletten, zulks eene gunstige uitwerking zal hebben op de overige stammen van inboorlingen, die immer tegen het Basuto Opperhoofd Moshesh opzagen.

Daar Art. 2 der Conventie van 23 Februarij, 1854, verklaart dat Harer Majesteits regering geene begeerte of voornemen heeft later in eenig verdrag te treden met eenige naturellenstammen ten noorden van de Oranjerivier, hetwelk nadeelig of schadelijk zou kunnen wezen voor de belangen van den Oranje Vrijstaat, en daar Uwer Excellenties brief van 20 Januarij, 1866, in welken gij zoo welwillend uwe diensten aanbiedt tot beëindiging van eenen oorlog die geëindigd werd door het verdrag van Thaba Bosigo op 3 April, 1866, verklaart, dat de reden, welke het meest er toe geleid om Moshesh, en zijn volk niet als onderdanen van de Britsche Kroon aan te nemen de overweging was van hetgeen eerlijk aan het Vrijstaats Gouvernement verschuldigd was, en terwijl ik niet eene oorzaak of grond heb in dit opzigt eene verandering te vermoeden, zoo moet ik erkennen, dat uwe mededeeling alsof Moshesh en zijn volk naar alle waarschijnlijkheid onderdanen souden worden van de Britsche Kroon, mij ten uiterste verwonderd heeft.

Ik betreur het, dat ik niet de zienswijze van uwe Exc. kan deelen, dat de voorgestelde gedragslijn leiden zal tot den toekomstigen algemeenen vrede van Zuid-Afrika. Daar het belang en de welvaart van den Vrijstaat hierdoor zoo ernstig bedreid wordt, zoo zal ik gebruik maken van de buitengewone zitting van den Volksraad, welke ik tegen 21 Maart, 1868, heb opgeroepen, ten einde de inzigten van dat Hooz Edel Ligchaam in te winnen aangaande dit onderwerp van uwen brief.

A. R. PAULUSE MOPELI.

Mijnheer,—Zijt gegroet, en groet Manapo en mijne kinderen. Wij leven steeds wel en de oorlog gaat aan. Volgens mijne inzigten is het eene waarheid, dat wij hun geklopt hebben en wij onzen grond terug zullen krijgen.

Verledene maand ontvingen wij een brief van den Gouverneur der Kaapkolonie, Sir P. Wodehouse; hij liet ons weten, dat hij begeerig is om te komen en een einde aan onzen oorlog met de Boeren te maken en ons op te nemen onder de regering van Hare Majesteit, gelijk wij eens gevraagd hebben, en verder dat wij oorlogs-benoodigheden zouden krijgen, gelijk de Boeren. Hij verzekerde ons van zijne goede voornemens, en raadde ons aan om vast te houden en te vechten, tot dat hij komt; de leeraaren (zendelingen) zijn zeer blijde.

Gij weet ongetwijfeld wie de Gouverneur is. Wat betreft deze mededeeling, zoo verwachten wij in dit opzigt iets in de maand Januarij, als zullende wij gevoegd worden bij het Natalsche Gouvernement, onder de heerschappij der Koningin; zoo dat men alsdan tusschen beide zal komen en op eervolle wijze aan alles een einde zal maken, zonder daarom aan den wil van den Vrijstaat te voldoen, noch dien der Basutos. Volgens onzen geëerbiedigden Buchanan, procureur, zal onze grenslijn zijn die van Gouverneur Sir P. Wodehouse en den Heer Burnett, van Aliwal Noord; in dit vertrouwen en die hoop vechten wij.

Wat mij persoonlijk betreft ben ik bezig om mij klaar te maken voor een inval in den Oranje Vrijstaat voor dat het vrede wordt. Een groot gevecht heeft plaats gehad tusschen Timie en Thaba Bosigo, de boeren werden schandelijk overwonnen. Gij moet Mopeli laten weten, dat sedert ik te Thaba Bosigo kwam, Molitsane's volk naar zijn koren te Mobeele heeft gezien, efschoon ons volk niet wenscht om te midden van den oorlog aanleiding tot misverstand te geven.

Gij moet tevens van Mopeli het blospaard leenen, hetwelk bij Lenyora is, daar ik geen paard heb om te velde te gaan. Ik zou gaarne zien, dat gij mij antwoorddet met eenen uwer eigene boden, zoodat ik in staat zoude zijn u alle nieuws te doen weten. Mopeli moet bedenken dat het zijn broeder is; wat ik gezegd heb is tusschen mij en u. Ik zal mij verheugen een uwer lieden lieden te ontmoeten. Wat zij eenmaal tegen u hebben aangevoerd, blijkt alles leugen te zijn, geen eerlijk man gelooft het, en vooral Moshesh niet.

Gij moet mij zenden lood, dopjes en kruid.—Zijt gegroet door

Uwen Dienaar,
(was geteekend) T. MOSHESHUE.

P.S.—Groet Filimon en Maibi.
Adieu.—God behoede de Koningin!
Ik heb in haast geschreven, en vergeef mij mijne fouten.

Gouvernementshuis, Kaapstad, 11 Feb., 1868.

Aan Zijn Hoog Edele den President van den Oranje Vrijstaat.

MIJNHEER,—Ik heb de ontvangst te erkennen van uwen brief van den 31sten Januarij, in antwoord op den mijnen van den 13den Januarij, en ik hoop, dat mijne beweegredenen niet verkeerd verstaan zullen worden, wanneer ik mij geheel en al o thoud om in discussien te treden over uwe mededeelingen omtrent gebeurde zaken. Ik heb slechts één doel, en dat is, om den vrede te herstellen, en om zorg te dragen voor de toekomstige rust en welvaart van de Britsche Kolonien, den Vrijstaat en de Basutos, en ik zal mijzelven geheel en al toewijden aan de poging, om de toestemming van uw Gouvernement te verkrijgen in het plan, hetwelk ik geloof het beste te zijn om dat doel te bevorderen.

Ik bemerk uit uwen brief, dat gij [illegible] vijandelijkheden te staken, vóór dat [illegible] overwonnen wordt verovard en afgenomen [illegible] Basutos zal gezuiverd zijn, [illegible] kanaal [illegible] dat het [illegible]

eene te levendige herinnering van den verwoesten en verlatenen toestand van de plaetsen op de oude grenslijn, welke ik in 1854 met u bezocht, en te verwachten, dat de Vrijstaat voortdurend in staat zal zijn het nieuwe grondgebied te beschermen, indien de Basutos in eenen staat van onafhankelijkheid gelaten worden, anders dan door de oprigting eener geregelde grensmagt, die betaald wordt, en eene zeer aanzienlijke uitgave voor uwen Staat zal zijn.

Ik geloof, dat zelfs onder de verstandigste ingezetenen van den Staat de indruk heerscht, dat het afstaan van grondgebied, als gevraagd van de Basutos, in strijd is met hetgeen ware staatkunde zou voorschrijven, in zoo verre als het den stam zoude berooven van een groot deel van het land, voor hen het best geschikt, en hen oppakken in een betrekkelijk barre strook gronds, op zoodanige wijze dat het stelen bijna onvermijdelijk zoude worden, en noodzakelijk voor hun bestaan.

Ik denk daarom, dat ik met regt kan voorstellen, als de ernstigste overweging van uw Gouvernement verdienende, of de ware belangen van den Staat zulk een onderhandeling met eene vriendschappelijke mogendheid niet vorderen over het onderwerp van de modificatie der lijn, die ruime considératie aan de eischen van den Staat zal verzekeren, zonder voortdurenden vrede tot onverkrijgbaar te maken.

Gij vreest klaarblijkelijk dat geen vertrouwen kan gesteld worden in de beloften van Moshesh, voordat hij volkomen zal zijn overwonnen door verdere vijandelijkheden. Maar het zij mij vergund aan te toonen, dat de beslissing van al deze punten uit zijne handen zal worden genomen. Hij heeft in antwoord op den brief, dien gij goed genoeg waart aan hem te zenden, zichtelven volkomen in mijne handen geplaatst.

Persoonlijk gevoel ik, dat de uitspraak mijner arbitrage in 1864, mij eenige aanspraak geeft op het vertrouwen van den Vrijstaat, en ik ben zeker dat ik de wenschen van Harer Majesteits Gouvernement het beste zal waarnemen, door alle onderhandeling in deze zaken te leiden in eenen geest van regtvaardigheid en verzoening.

Het moet duidelijk zijn voor uw Gouvernement, dat wanneer de Basutos worden gebragt onder Britsch bestuur, besloten binnen een strook gronds, onvoldoende voor hun onderhoud, het Britsch bestuur geen diefstal zal beletten. De last van zelfverdediging zal geheel op den Vrijstaat vallen, en de betrekkingen van de twee Gouvernementen zullen onvoldoende worden. Kommen van den anderen kant tot eene goede verstandhouding komen, dan souden de Britsche authoriteiten ongetwijfeld in staat wezen en gehouden zijn om eene behoorlijke controle over hunne eigene onderdanen te handhaven; en het volk van den Vrijstaat zoude alsdan in vrede, en zonder eenige buitengewone pogingen van zijnen kant, de landerijen kunnen gebruiken, die zij tot nog toe hebben gehad op zulke onvoordeelige voorwaarden.

Ik ben niet genoegzaam bekend met de zaken van Bushe en Krijnauw, om eene opinie te vormen over het voorstel om dezelve als eene exceptie te behandelen op die der vele ongelukkige wezens, die omgekomen zijn in vijandelijkheden, die nauwelijks konden worden gevoerd met al de inachtnemingen van beschaving. Ongetwijfeld moeten de omstandigheden evenwel sterk zijn, om dezelven te doen aannemen als hinderpalen van den algemeenen vrede, die wij zoeken.

De oorlog is steeds één geweest, die het zwaarste heeft gewerkt op de weerloozen en onschuldigen, en in den laatsten tijd zijn de pogingen van den Vrijstaat bijna geheel gewijd, ik zeg niet onnoodig, aan dat doel.

Het grootste doel is geweest om den oogst en proviand van de Basutos te vernielen, met andere woorden, om de vrouwen, bejaarden en kinderen aan het hongerdood bloot te stellen. Waarlijk onder deze omstandigheid zal staatkunde en menschelijkheid het best worden gerasdpleegd door deze zaak met stilzwijgen voorbij te gaan.

Ter slotte, sta mij toe te herhalen, dat ik het welvaren van den Vrijstaat even goed zoek te bevorderen als dat van de Basutos. Ik kan niet vergeten, dat het volk van eerstgenoemde slechts weinige jaren geleden, en velen van hen nog zijn, Britsche onderdanen; dat zij naauwe betrekking zijn tot het volk in de Kaapkolonie, en dat eenig ongeluk dat hen mogt overkomen, grootendeels moet worden gedeeld door de kolonisten.

En ik vlei mij daarom nog met de hoop, dat ik de toestemming van uw Gouvernement zal verkrijgen tot mijne eerstvoordige voorstellen; en dat door toe te stemmen de vijandelijkheden te staken met het oog op de onderhandeling, zij de verdere noodelooze opoffering van menschenlevens zult beletten.

Ik heb, enz.,

Gouvernements Huis, Kaapstad, 18 Februarij, 1868.

Aan Zijn Hoog-Edele den President van den Oranje Vrijstaat.

MIJNHEER,—Ik kan den post niet uit de Kaapstad laten vertrekken, zonder u mijn diep leedwezen kenbaar te maken, waarmede ik gisteren een bericht uit Aliwal Noord ontving, mij geworden per telegraaf van Grahamstad, dat de Vrijstaatsche kommandos met de meeste kracht voortgaan om het te veld staande koren der Basutos te vernietigen.

Het is treurig om te denken, dat deze gewapende troepen hunne krachten er aan schenken, om den dood door gebrek te veroorzaken van de ouden en hulpeloozen, en om de weerbaren in een toestand van ellende en tot ondergangte brengen, van alles het meest geschikt om zoowel dieverij als andere wanordelijkheden te doen ontstaan en te vergrooten.

Het Britsche Gouvernement tracht op eene eerlijke en ernstige wijze de rust te verzekeren. Ik heb reeds uiteengezet hoe nadeelig het moet zijn voor het volk van den Oranje Vrijstaat, wanneer de Basutos onder het Engelsch beheer souden komen, zonder middelen van bestaan te hebben, en het smart mij zeer te denken, dat in één' tijd waarop, zooals uw Gouvernement wel bekend is, de schikkingen voor de aanneming reeds gemaakt worden, het een weg zoude inslaan met de bepaalde strekking om onze pogingen voor het welzijn van Zuid Afrika tegen te werken.

Ik heb, enz.,

KOPIE.]

Gouvernements Huis, Kaapstad, 10 Maart, 1868.

Aan Zijne Hoog-Edele den President van den Oranje Vrijstaat.

MIJNHEER!—Daar ik tot nogtoe met geen antwoord begunstigd ben op het beroep dat ik op 16 Februarij ll. op u deed tot staking van de vijandelijkheden tusschen den Vrijstaat en Basutos, en daar ik van anderen vernam, dat uwe kommandos in den laatsten tijd krachtig den oorlog hebben voortgezet, ben ik tegen mijn zin gedwongen tot het besluit dat uwe Regering geen plan heeft om naar mijne voorstellen te hooren, en dat ik nu de laatste transakties tusschen deze Regering en de oorlogvoerende partijen moet nagaan en den weg bepalen die ik onder de bestaande omstandigheden moet volgen.

Tot het verledene terug gaande vindt ik dat op 27 April, 1858, nadat de Vrijstaat door een heilloozen oorlog was uitgeput, President Boshof aan Sir G. Grey schreef als volgt: "Onze moeijelijkheden schijnen elken dag toetenemen. De verliezen en de nood van de meeste menschen in dezen Staat kunnen onherstelbaar zijn als geene andere (dan de Transvaalsche Republiek) magtige tusschenkomst ons eene gunstige verandering kan bezorgen, of een einde maken aan al het bloedvergieten en rooverijen die reeds hebben plaats gehad. Alles wat uwe Excellentie in staat is om te doen in dit opzigt zou met dank erkend worden als eene menschlievende en christelijke daad."

Op 6 Maart daaraanvolgende, gaf Sir George Grey zijne bereidwilligheid te kennen om aan de wenschen van den President te voldoen, en vroeg de toestemming van Moshesh, te gelijk eene tijdelijke staking der vijandelijkheden aanbevelende; en in Julij bij Moshesh gealaagd zijnde ging bij naar de plaats.

De invloed van Sir George Grey verkreeg voor den Vrijstaat bij die gelegenheid voorwaarden, die zeer voordeelig waren; en voordat hij het land verliet onderzocht en wees hij persoonlijk dat gedeelte der grenzen aan omtrent hetwelk alleen er ten dien tijde verschil was.

Er verliep echter niet veel tijd of het werd weder duidelijk dat de Staat niet de noodige schikkingen kon of wilde maken om zijne besittingen te verzekeren, en langzamerhand lieten vele grensboeren hunne plaatsen aan de Basutos over, terwijl anderen die meer vastberadenheid en takt bezaten in voorspoed hunne plaatsen bleven bewoonen. Dientengevolge toen gij op 5 Februarij, 1864, uwe aanneming van den Presidentschap aankondigdet, verzocht gij om mijne bemiddeling tusschen den Vrijstaat en de Basutos in de volgende bewoordingen:—"Als Uwe Excellentie zich wilde laten bewegen om de plaats te bezoeken, en in tegenwoordigheid van mij en Moshesh de grenslijn tusschen den Vrijstaat en Basutoland van baken tot baken wilde aanwijzen, zou de harmonie bersteld worden, en beide partijen zouden gewis tevreden zijn en geheel instemmen met de beslissing Uwer Excellentie. Ik heb den Volksraad verzekerd dat Uwer Excellenties welbekende gunstige gesindheid jegens den Staat en de omringende stammen mij met de hoop bezielde, dat Uwe Excellentie niet zou aarzelen om hare magtige hulp in deze groote en belangrijke zaak te verleenen. Ik weet dat Uwer Excellenties kostbaren tijd geheel door andere belangrijke zaken wordt ingewonnen. Ik ben ten volle overtuigd van het ongemak en de opofferingen waarmede een bezoek aan den grond in kwestie noodzakelijk moet vergezeld gaan, maar deze, ik ben er zeker van, hebben bij Uwe Excellentie geene kracht, waar zoo veel goeds kan gedaan, en zulke groote en blijvende weldaden door Uwer Excellenties gunstige toestemming kunnen te weeg worden gebragt. . . . . Ik hoop opregtelijk dat het Uwer Excellentie behage moge om een gunstig antwoord te zenden, dat ik ernstig afsmeek.

Eene week na den datum van dien brief stemde ik in het ernstige verzoek toe, en nadat ik van Moshesh de toezegging had gekregen om bij mijne uitspraak te blijven, bereikte ik Aliwal Noord op den 16 Maart daaraanvolgende. Het bleek toen, dat gij van den Volksraad geene magtiging had kunnen verkrijgen om mijne uitspraak onvoorwaardelijk aan te nemen; en ik wilde niet met de arbitrage voortgaan, en maakte op 27 Maart bekend, dat ik, voordat ik naar Grahamstad terugkeerende, de gelegenheid zou waarnemen om Moshesh persoonlijk met den toestand van zaken bekend te maken, en hem de noodzakelijkheid voor te stellen om zich van alle daden, die de Vrijstaters konden beleedigen of benadeelen te onthouden, in afwachting van de eindelijke beslissing dezer kwestie—wat ik deed.

Nadat de noodige magtiging nu eindelijk door den Volksraad was verleend, reisde ik weder in het laatste gedeelte des jaars naar de grenzen, en ging met u en andere commissarissen langs de bestreden grens van haar oostelijk uitvinde af. Ik mag hier bijvoegen dat de gelegenheid, mij dus geschonken om met de onderlinge gezindheid van de Vrijstaters en de Basutos bekend te worden, mij overtuigde dat er weinig uitzigt was op voortdurende vrede als niet in den eenen of anderen vorm de Britsche invloed op hunne betrekkingen meer onmiddelijk hen worden aangewend.

Het gevolg van deze arbitrage, even als die van Sir George Grey, was zeer gunstig voor den Vrijstaat, en ik gevoelde mij na al hetgeen er gepasseerd was, volkomen geregtigd om u zeer gewaagde maatregelen aan te bevelen bij de uitvoering van mijne arbitrage. De gevoelens zijn verdeeld omtrent de wijze hoe die aanbeveling werd gevolgd; maar het is zeker dat het gevolg van de stappen toen door den Vrijstaat genomen deze ellendige en langdurige oorlog geweest is, op wiens kwaad ik reeds gewezen heb, en waarvan ik zoo lang met tegenzin toeschouwer ben geweest.

Door de gunstige daad van Hare Majesteit ben ik er eindelijk in geslaagd om u den besten waarborg binnen ons bereik te geven van vrijstelling voor de toekomst van de wanorde en het kwaad van het verledene; en ik heb zulke gedaan onder de sterkste betuigingen van vriendschappelijke gezindheid.

Het is mij daarom zeer pijnlijk dat ik den Vrijstaat zijne vroegere betrekkingen met Hare Majesteit in den wind zie slaan, en de goede diensten van mijn voorganger en mij en onze persoonlijke pogingen voor zijne welmaart zie vergeten, de gematigdheid over het hoofd ziende (die ik niet mag over het hoofd zien) waarmede Moshesh, op verzoek van deze Regering, er in toegestemd heeft om zijne meerderheid over den Staat in het uur van diens zwakheid te vergeten—om den Staat dus alles te zien vergeten wat vroeger gebeurd is, en voort te zien gaan met maatregelen die, als zij gelukken, de bevolking van Basutoland gewis als bedelaars en ellendigen naar den eenen kant in de Kaapkolonie, en naar den anderen in Natal moeten drijven. Ik kan zulk eene staatkunde, als men er in volhardt, als niets anders beschouwen dan een bewijs van een vijandelijk gevoel jegens de Britsche Regering, dat volkomen genoegzaam is om mij van alle inachtneming van de voorwaarden der Conventie van 23 Februarij, 1854, te ontslaan.

Toen ik bemerkte dat mijne voorstellen geen gehoor vonden, gaf ik bevel dat geene ammunitie uit onze havens naar den Vrijstaat zoude gevoerd worden zonder mijne magtiging. Ik heb sedert van geene applikatie gehoord; en besluit daaruit dat er geen gedaan is. En ik moet nu zeggen dat ik alle uitgiften zal verbieden, en zulke verdere stappen zal nemen, als ik tot de goede regering des lands zal noodig achten. Tevens doe ik deze aankondiging met den grootsten spijt.

Ik vrees dat als ik het uitstelde, bij de naderende opening van de zitting van den Volksraad, ik mij aan eene beschuldiging zou blootstellen van u bedrogen te hebben. En ik herhaal nog eenmaal de betuiging van mijne bereidwilligheid en mijnen wensch om met uwe regering in onderhandeling te treden met het doel om omtrent alle punten tot eene vriendschappelijke verstandhouding te komen.

GROOT OPPERHOOFD!—Het verschaft mij groot genoegen u te kunnen berigten dat het Hare Majesteit de Koningin behaagd heeft het verzoek in te willigen, zoo dikwijls door u gedaan, om u en uw stam aan te nemen als onderdanen van de Britsche Kroon.

Het is lang mijn wensch geweest die verandering te zien bewerkstelligen, en ik twijfel er niet aan dat met de hartelijke medewerking van uzelven en de Basuto Hoofden en natie, de schikking kan worden daargesteld op voorwaarden, welke den toekomstigen vrede en de welvaart zullen verzekeren.

Het is Harer Majesteits begeerte dat, indien doenlijk, Basutoland een deel zal uitmaken van de Kolonie Natal, maar de taak om de onderhandelingen ten uitvoer te brengen, is mij opgedragen, en ik hoop in staat te zijn Basuteland te bezoeken tegen het einde van Maart of het begin van April aanst., en dan met u en uw volk de bijzonderheden der schikking te behandelen.

Ik heb den President van den Vrijstaat intusschen met het besluit Harer Majesteit bekend gemaakt, en een wapenstilstand voorgesteld, en ik twijfel er niet aan dat, wanneer mijne suggesties wel door hem ontvangen worden, gij bij uwe volk op de gebiedende noodzakelijkheid zult aandringen, om zich te onthouden van alle daden van eenen vijandelijken aard, jegens het volk van den Vrijstaat.

Thaba Bosigo, 26 Jan., 1868.

Zijne Excellentie Sir P. E. WODEHOUSE, K.C.B.,
Gouverneur en Hooge Commissaris.

MIJNHEER!—Ik heb uw Excellenties brief, gedateerd Kaapstad, 13 Januarij, gelezen. Ik kan geene woorden vinden om uw Excellentie te betuigen hoe bijzonder welkom het goede nieuws geweest is, waarmede uw Excellentie mij begunstigd heeft. Mijne geheele stam, alle Basuto Opperhoofden en ik zelf meer dan iemand anders, zijn allen blijde. Wij hebben nu het vooruitzigt op eene blijvende vrede, op een voortdurenden voorspoed, die nu bijna drie jaren lang ons onbekend is geweest. Ik ben oud geworden, daarom ben ik blijde dat men mija volk toegelaten heeft om te rusten onder de wijde plooijen van de vlag van Engeland voordat ik niet meer zijn zal.

Ik verzoek dat uwe Excellentie aan Hare Majesteit de Koningin den opregten en warmen dank van mij en kinderen en stam over brenge. Uwe Excellentie ontvange ook den warmsten dank voor het belang dat gij, sedert gij in Zuid Afrika kwaamt, in ons welzijn gesteld hebt.

Alle bijzonderheden van schikkingen waarvan Uwe Excellentie in haar brief van den 13den dezer spreekt, laat ik in uwe handen, vertrouwende op Uwe Excellentie's wijsheid en goedheid. Het doet er weinig toe of wij weten bij welke kolonie Basutoland zal geheeht worden, zoolang wij maar onder de Britsche bescherming en regering staan. Nu de Koningin besloten heeft, dat Basutoland een gedeelte van de Kolonie Natal zal vormen is het alles regt. Wij zijn tewreden.

Ik weet nog niet hoe de President van den Vrijstaat bij de ontvangst van den brief zal handelen waarbij U. E. hem met het besluit der Koningin bekend maakt. Ik weet zeker dat de Heer Brand eenige weken er op roemde dat hij naar de Kaapstad had teruggeschreven dat hij de Engelsche Regering niet ken toelaten op eenigerlei wijze tusschen beiden te komen; en hij voegde er bij dat wij slechts onszelven bedrogen als wij gelooiden dat de Engelsche Regering iets voor ons hun doen. Ik hoop dat dit niet het geval moge zijn, en dat de Heer Brand dadelijk den oorlog zal eindigen. Zoodra de President van den Vrijstaat de vijandelijkheden staakt, kan U. E. er zeker van zijn dat ik mijn volk strikte bevelen zal geven om zich van alle onvriendelijke daden jegens het volk van den Vrijstaat te onthouden.

Geloof mij, enz.,

Aan het Groot Opperhoofd MOSHESH, Basutoland,

GROOT OPPERHOOFD!—Ik heb uw brief van den 26sten Januarij ontvangen, en het deed mij veel genoegen om te vernemen dat het uitzigt om een onderdaan van Hare Majesteit de Koningin te worden u zooveel genoegen geeft. Ik vernoem van den President van den Vrijstaat dat hij onwillig is om de vijandelijkheden te staken, behalve op zekere voorwaarden, en ik heb ernstig getracht om hem daarvan af te brengen, en alle verschillen door onderhandeling bij te leggen.

Intusschen en totdat gij van den President vernoemt, dat hij in een wapenstilstand toestemt, zult gij de noodzakelijkheid inzien om de best mogelijke verdediging te voeren.

Ik zal zeker in April Basutoland bezoeken.

MET verwijzing naar Gouvernements Berigt No. 81 van 12 dezer, waarin verschijnt eene Correspondentie met den President van den Oranje Vrijstaat en het Opperhoofd der Basutos, betrekkelijk de toelating van dien Staat tot de onderhoorigheid van Hare Majesteit de Koningin, heeft Zijne Excellentie de openbaarmaking gelast van de volgende Correspondentie, sedert over diezelfde aangelegenheid gewisseld.

Ter Ordonnantie van Z. E. den Gouverneur,

R. SOUTHEY,
Koloniale Secretaris.

KOPIE.]

Bloemfontein, 3 Maart, 1868.

Aan Z. E. den Gouverneur der Kaapkolonie.

MIJNHEER,—Ik heb de eer de ontvangst te erkennen van uwe missiven van 11 en 18 laatstleden, welke, door mijne afwezigheid op kommando, mij eerst ter hand kwamen bij mijne terugkomst van de Kleine op 1 dezer.

Volkomen deelende in en hoogen prijs stellende op uwe welwillende gevoelens, wat betreft de vriendschappelijke betrekkingen en banden van verwantschap, welke bestaan tusschen Harer Majesteits Gouvernement, de Kaapkolonie, Natal, en den Oranje Vrijstaat, zal ik trachten op uwe brieven te antwoorden in denzelfden geest waarin die geschreven zijn.

Bij het ondersoek der tegenwoordige vraag is het volstrekt noodig, te verwijzen naar en te verwijlen bij vroegere handelingen.

Toen Harer Majesteits Gouvernement in 1854 besloot om de Souvereiniteit op te geven en bij verdrag van 23 Februarij, 1854, den Oranje Vrijstaat verklaarde tot een onafhankelijken Staat, werd de last en verantwoordelijkheid, om met onze lastige Basutoburen te onderhandelen, geheel en al op onze jeugdige schouders gelegd, terwijl vele geschillen, welke groote moeijelijkheden hadden veroorzaakt en mogelijk nog souden veroorzaken, onafgedaan bleven.

De diefachtige neigingen en het vijandelijke gedrag der Basutos onverdragelijk geworden zijnde, veroorzaakte zulks een oorlog, die geëindigd werd bij het traktaat van Aliwal, in 1858.

Dat traktaat werd spoedig verbroken door de Basutos, die voorgaven geheel onbekend te zijn met de grenslijn bij dat traktaat omschreven. Zij drongen aanhoudend door en over de grenspalen der plaatsen, voor welke de eigenaren Britsche landcertificaten hielden. Alle pogingen werden door den Oranje Vrijstaat aangewend met groote kosten, om tot eene vriendschappelijke verstandhouding te komen, maar te vergeefs. Eindelijk, in 1864, met wederzijdsche toestemming van het Gouvernement van den Oranje Vrijstaat en het Basuto Opperhoofd Moshesh, werd gij ingeroepen als scheidsman, met volle magtiging om het geschil over de grenslijn te bepalen. Met uwe gewone welwillendheid naamt gij die taak gereedelijk aan, bezocht het in geschil zijnde grongebied, verzekerdet uzelven van de regtvaardigheid onzer aanspraken, en gaaft uwe uitspraak geheel ten onzen gunste. Het gevoelen door u gekoesterd omtrent het gedrag van het Opperhoofd Moshesh en zijn Volk, is duidelijk uitgedrukt in uwen brief aan dat Opperhoofd van den 28 October, 1864.

In mijne vroegere brieven, en vooral in dien van 23 Februarij, 1866, heb ik vermeld, hoe trouweloos het Basuto Opperhoofd Moshesh gehandeld heeft tegen de uitspraak, welke hij beloofd en toegestemd had te zullen eerbiedigen. Het is welbekend, dat na de bekendmaking der uitspraak, de Basutos besloten, van de eerste gelegenheid gebruik te maken om die uitspraak krachteloos te doen worden. Door hun vijandelijk gedrag en hunne dieverijen en aanvallen, was het Gouvernement van den Oranje Vrijstaat verpligt de wapens op te nemen.

Inderdaad, het is zeker, dat wanneer ons Gouvernement had geaarzeld het zwaard te trekken, de Basutos, zoodra zij hunne oogst hadden ingezameld, den oorlog zouden begonnen hebben. De Basutos verkeerden toen onder den indruk, dat zij met hun aantal en magt den Oranje Vrijstaat zouden kunnen vernietigen. Zij zijn nu echter overtuigd aan hunne dwaling. De oorlog duurde elf maanden. De Basutos stemden toe, dat zij niet langer konden weerstaan tegen den Oranje Vrijstaat. Molappo verzocht om vrede, werd aangenomen als onderdaan van den Oranje Vrijstaat, en hij en zijn volk, het verheugt mij zulks te kunnen zeggen, genieten thans het geluk en den voorspoed van den vrede. Overtuigd zijnde, dat hij niet langer tegen ons Gouvernement strijden kon verzocht Moshesh om vrede. Daar de oorlog veroorzaakt was door de dieverijen en aanvallen der Basutos, en den Oranje Vrijstaat op groote kosten joeg. was het noodig, dat de Basutos zouden worden belast met ten minsten een deel der kosten.

Toen Moshesh om vrede vroeg, werd hem duidelijk gezegd, dat de erkenning der lijn door ons Gouvernement geproklameerd, eene voorwaarde *sine qua non* was. De correspondentie, welke plaats vond alvorens het traktaat op Thaba Bosigo was geteekend, wijst duidelijk aan, dat er te dien opzigte geen twijfel of misverstand konde zijn. Toen hij toestemde zulks te doen, matigde het Gouvernement van den Oranje Vrijstaat zijne vordering voor vee als vergoeding van oorlogskosten. Niemand, die tegenwoordig was bij het teekenen van het traktaat van Thaba Bosigo, kan den minsten twijfel hebben, dat Moshesh en zijne raadsmannen goed verstonden, dat de streek lands, vermeld in art. 1 van het traktaat van Thaba Bosigo van 3 April, 1866, aan ons Gouvernement was overgemaakt. En de correspondentie, welke plaats vond tusschen het Gouvernement van den Oranje Vrijstaat en het Basuto Opperhoofd, kort na het traktaat, bewijst duidelijk, dat hem de overmaking, bij dat traktaat gedaan, teen volkomen bekend was. Inderdaad, de herhaalde aanvragen door de Kapiteins Letsea, Mopeli en Molitsani bewijzen alles, dat zij de lijn, beschreven in het traktaat van Thaba Bosigo, volkomen verstonden en er in toestemden.

De hoofdredenen, welke het Gouvernement van den Oranje Vrijstaat aanleiding gaf, deze kapiteins en hun volk niet dadelijk als onderdanen van ons Gouvernement aan te nemen, was, dat door hen geen bewijs was gegeven, dat de boete, door het Britsche Gouvernement Moshesh opgelegd voor den inval in Natal, reeds was betaald en voldaan.

Molitzani deed aanvraag in de dringendste bewoordingen, dat hem een stuk grond mogt worden toegekend, alwaar hij kon wonen als onderdaan van den Oranje Vrijstaat. De niet voldane boete, opgelegd voor den inval in Natal, was daartegen een hinderpaal. Maar gaarne alles willende doen wat in ons vermogen was, ontvingen Molitzani en zijn volk verlof, om aan deze zijde van de Caledonrivier te blijven, tot dat het aangehechte grondgebied zou worden geïnspekteerd. Tevens werd hun gezegd, dat wanneer de koopers van de plaatsen gewillig mogten zijn hun verlof te verleenen om in kleine partijen op hunne plaatsen te blijven, het Gouvernement er niets tegen zoude hebben, zoo lang zij zich maar goed gedroegen, en verder dat bij de zitting van den Volksraad hunne aanvraag om grond zoude worden overgelegd. Nadat de grond geïnspecteerd en verkocht was werden de koopers opgeroepen tot bewoning, en daar verscheidene Basutos zonder verlof of vrijheid te hebben bekomen, zich kwamen nederzetten op de geïnspecteerde plaatsen in het aangehechte grondgebied, werd een kommando opgeroepen, om het aangehechte grondgebied te zuiveren naar luid van art. 2 van het traktaat van Thaba Bosigo, om de koopers in staat te stellen hunne plaatsen te bewonen. De zonen van Molitzani, die, onder het volle bewustzijn van hetgene zij daarmede waagden op het aangehechte grondgebied gezaaid hadden, in de hoop dat de eigenaren der plaatsen hun verlof zouden geven om, ware het ook maar een deel te mogen oogsten, smeekten, dat hun gewas mogt worden verschoond. Ons Gouvernement gaf hun verlof om daar te blijven tot de zitting van den Volksraad, mits dat zij de toestemming van de eigenaren daartoe ontvingen en er geene klagten tegen hen zouden komen. De Volksraad hunne aanvraag in overweging genomen hebbende, authoriseerde mij eenige geschikte plaatsen in de open gronden van Kroonstad of nabij Liebenbergsvlei aan te wijzen, waar dezelfde gelegenheid om gestolen vee te verbergen niet bestaat, als in de spelonken, waarmede de Korannaberg zoo overvloedig is voorzien. Maar toen zij hun oogmerk bereikt en hun koren ingezameld hadden, 'twelk verschoond was op hunne beloften van toekomstig goed gedrag en hunne gereed en gewilligheid om te vertrekken, wanneer daartoe opgeroepen, namen zij eene geheel andere houding aan.

De gewassen van Mopeli's volk werden verschoond op dezelfde voorwaarden als die, voorgeschreven aan Molitzani's volk. Op den 1sten Julij werd Mopeli opgenomen en onderdaan van den Oranje Vrijstaat, en geniet thans het genot van vrede in Witzieshoek. De andere Basutos, die zich op het aangehechte grondgebied hadden nedergezet, werden weggedreven met geweld. De gewassen, die zij ter kwader trouw gezaaid hadden, op het aangehechte grondgebied werden vernield. En de dwaasheid inziende van de poging om te zaaijen, waar het hun niet toegestaan werd te oogsten, hebben zij het aangehechte grondgebied verlaten, en zullen wel zorg dragen niet weder daar te komen.

Na de sluiting van het traktaat van Thaba Bosigo deed Letsea aanvraag om opgenomen te worden als onderdaan van den Oranje Vrijstaat. De onbetaalde boete voor den inval in Natal werd voorgesteld als een hinderpaal, en hem den raad gegeven, die boete te betalen, als wanneer zijne aanvraag in overweging zouden genomen worden, als hij door zijn gedrag had aangetoond, eene gunstige overweging te verdienen.

Op zijn dringend verzoek werd aan hem en zijn volk verlof gegeven in het aangehechte grondgebied te blijven en hunnen oogst in te zamelen gedurende den tijd, die noodzakelijk zou moeten verloopen tusschen de inspectie van dat gedeelte van het aangehechte grondgebied en den verkoop en occupatie der plaatsen. In Mei 1867 stond de Volksraad de herhaalde aanvraag van Letsea toe op zijne voorstelling, welke, zoo als mij later door Zijne Excellentie den Luitenant-Gouverneur van Natal werd bekend gemaakt, geheel zonder grond was, namelijk dat hem een uitstel van 7 jaren was toegestaan voor de betaling der boete voor den inval in Natal. Op den 22sten Mei, 1867, werd Letsea opgenomen als onderdaan van den Oranje Vrijstaat, een voldoende streek lands werd aan hem en zijn volk toegestaan om daarop te wonen onder dezelfde voorwaarden en bepalingen als vervat zijn in het traktaat van Imperanie van 26 Maart, 1866, waarbij Molappo onderdaan werd van den Oranje Vrijstaat. Letsea's aanvraag, dat aan Makwasi, een zijner onderhoorigen, verlof mogt worden verleend voor eene maand om van den berg, waar hij zich had neergezet, te vertrekken, werd toegestaan. Maar Letsea en zijn volk, zoo als ook Molitzanie en zijne zonen, hun koren weggeborgen hebbende, hielden zich, in plaats van hunnen tijd nuttiger te besteden, bezig met het bouwen van schansen en dikke muren voor hunne spelonken en op de bergen. De kommandant, die in Letsea toegestemd had te ontvangen, werd keeltjes door hem weggezonden. Zijne overeenkomst omtrent Makwasi werd niet vervuld, en het bleek spoedig duidelijk, dat Letsea een trouweloos onderdaan was.

In de maand Junij, 1867, vertrok Bush, een Engelschman, naar Mequating en werd aldaar in koelen bloede wreedelijk vermoord door den zoon van Marakabi, den zoon van Molitzani. In een brief daarop aan Moshesh geschreven, werd de uitlevering gevraagd van de moordenaars, volgens Art. 6 van het traktaat van Thaba Bosigo. Maar te vergeefs. Kort daarna, in de maand Julij van hetzelfde jaar, werd Krijnsauw, terwijl hij in zijne tuinen op het aangehechte grondgebied werkzaam was, op helderen dag op eene verraderlijke wijze vermoord door een partij Basutos, aangevoerd door Raatsani, den zoon van Molitzani.

De schandelijke wijze waarop Molitzani en zijn volk gehandeld hebben, de moord van Bush en Krijnsauw, de ontoerende wijze, waarop Letsea de overeenkomst verbroken heeft, waarbij hij werd overgenomen als onderdaan van den Oranje Vrijstaat, de talrijke daden van dieverij en geweld te dien tijde gepleegd door het volk van Masoepa, de schending van het Traktaat van Thaba Bosigo door Moshesh, en zijne niet voldoening aan de billijke eischen van den Oranje Vrijstaat, noodzaakten ons Gouvernement in de maand Augustus, 1867, weder het zwaard te trekken. Oorlog is altijd beklagelijk, als vergezeld van lijden, ontbering en ellende. Voor een jongen Staat als de onze, is het eene droevige zaak wegens de groote opofferingen en kosten, welke dezelve over ons Gouvernement en onze Burgers brengt. Maar het gedrag der Basutos maakte den oorlog in den laatsten tijd noodzakelijk. Voor de ellende en ontberingen, door den oorlog veroorzaakt, zijn de Basutos en hun Opperhoofd Moshesh alleen verantwoordelijk. Het was door hunne booze daden dat de oorlog werd veroorzaakt. De dood der Basutos die sneuvelde en gewond werden in het nemen van de verschillende schansen en versterkte spelonken van Korannaberg, van Marakabisbol, van Platberg en van Langberg, en in het stormen en nemen van Makwaaisberg, van Tandjesberg en van de Kleine, moet aan het Basuto Opperhoofd Moshesh ten laste gelegd worden. Het aantal vrouwen die weduwen werden nog groeter gemaakt door den vloek van Basutoland, de veelwijverij, en 't lijden en de ellende, zoo krachtig geschilderd in uwen brief, zijn de resultaten van de trouweloosheid van het Basuto Opperhoofd en zijn volk. Verscheidene der vrouwen, met wie onze Burgers gesproken hebben, verhaalden onbewimpeld, dat het tegenwoordige ongeluk en de ellende over hen gebragt was door de "ondeugende kinderen van Moshesh."

De hulbehoevenden kunnen echter altijd in den Oranje Vrijstaat werk vinden, daar verscheidene Basutos na den oorlog van 1866 hunne toevlugt genomen hebben tot den Oranje Vrijstaat, alwaar zij thans gelukkig en tevreden leven.

Het aangehechte grondgebied, als omschreven in Art. 1 van het Traktaat van Thaba Bosigo, is thans, het verheugt mij zulks te zeggen, geheel gezuiverd, de bergen en spelonken, welke de Basutos door sterk gemetselde muren verschanst hadden en welke zij geloofden onwrikbaar te zijn, zijn, ik zeg het u met genoegen, allen genomen en gezuiverd. De schansen en muren zijn afgebroken en daar het noodig is hun te doen zien dat het te vergeefs zal zijn om te ondernemen weder op het aangehechte grondgebied overtredingen te doen, moeten de gewassen, die gezaaid zijn, vernield worden.

De Basutos zijn in alle gevechten geslagen; zij zijn reeds lang overtuigd, dat zij niet tegen den Vrijstaat zijn opgewassen. Binnen korten tijd zullen de Basutos zoodanig ten ondergebragt en vernederd zijn, dat zij wel zullen zorgen geene aanleiding te geven tot eenen anderen oorlog met het Gouvernement en de Burgers van den Oranje Vrijstaat.

Het aangehechte grondgebied is thans gezuiverd door onze magt, maar de moordenaars van Bush en Krijnsauw zijn tot nog toe niet aan de authoriteiten van den Oranje Vrijstaat uitgeleverd, en zoo lang dit niet geschiedt is, moet de oorlog tegen de Basutos met kracht voortgezet worden. En daar het gedrag van Moshesh en zijn volk de oorlog veroorzaakt heeft, en daar hij niet aan de billijke eischen van ons Gouvernement voldaan heeft, is het noodig hem een zeker getal vee te laten betalen voor oorlogskosten. Zoodra Moshesh aan dezen eisch heeft voldaan, zal de Oranje Vrijstaat hem vrede verleenen, maar om de vijandelijkheden te staken alvorens dit gedaan is, zoude den ondergang van den Oranje Vrijstaat na zich slepen.

Het Gouvernement en de burgers van den Oranje Vrijstaat hebben bewezen dat zij de Basutos ten onder kunnen brengen, en dat zij bekwaam en vast van voornemen zijn hunne regten tegen hen te handhaven. De Volksraad heeft alreeds voor fondsen gestemd voor de oprigting van eene grensmagt om dieverijen en overtredingen tegen te gaan.

De getuigenis van onze Kommandanten en burgers, die Basutoland van den eenen tot den anderen kant doorkruist hebben, zal bewijzen dat de Basutos genoegzaam land bezitten. Mopeli is in Witzieshoek geplaatst. Molappo heeft genoegzaam grond voor zijn volk. Bijkans al het volk van Pushulie is gesneuveld bij het nemen van Tandjesberg. Makwaai heeft, zoo als ik vernomen heb, Basutoland verlaten. Verschillende Basutos zijn naar de Kaapkolonie vertrokken, en vele anderen, gebruik makende van de gelegenheid door ons Gouvernement opengesteld, zijn in dienst getreden bij onze burgers, zoodat het getal Basutos bij Moshesh zeer verminderd is bij wat het was in 1864.

De ondervinding heeft geleerd, dat de vernieling van het koren, *mala fide* in het veroverd en aangehecht grondgebied, volstrekt noodzakelijk is voor de vreedzame occupatie. Onze magt heeft altijd getoond bereid te zijn om hare krachten met die der Basutos te meten. Maar de Basutos hebben zich altijd verstoken in sterk verschanste gaten en op bergen, en durven niet voor den dag komen in een open gevecht. Het innemen van Makwaaisberg, van Tandjesberg en de Kleinie bewijst dat onze magt hare krachten besteed heeft aan het ten onder brengen der verraderlijke Basutos en aan het leggen van een fondament voor een zelfstandigen en voortdurende vrede voor Zuid Afrika. Ik heb al reeds vermeld, dat voor de ellende en het lijden, veroorzaakt door den oorlog, door Moshesh en zijn volk verwekt, zij zelven verantwoordelijk zijn.

Ten slotte heb ik de eer te melden, dat de eenigte informatie, die in bezit is van het Gouvernement van den Oranje Vrijstaat, de bekendmaking is, vervat in uwe missive van 13 Jan., dat naar alle waarschijnlijkheid Moshesh en zijn volk op het punt staan onderdanen van het Britsche Kroon te zullen worden. Ons Gouvernement weet niet, welke schikkingen of onderhandelingen er in overweging zijn. En inderdaad met het oog op de artikelen der Conventie van 23 Februarij, 1854, en op de beginselen van het volkenregt, in overweging nemende de banden van verwantschap en vriendschappelijke gevoelens, welke altijd zullen blijven bestaan tusschen het Gouvernement en de onderdanen der Kaapkolonie en van den Oranje Vrijstaat, kan ons Gouvernement niet begrijpen, dat eene neutrale en vriendschappelijke magt eenige schikkingen zou willen aangaan of eenen weg inslaan, die de strekking heeft, alhoewel met tegenzin om het Gouvernement van den Oranje Vrijstaat te belemmeren in het verkrijgen van voldoening van het Basuto Opperhoofd Moshesh, met wien wij thans zijn gewikkeld in oorlog die verwekt werd door zijn verbreken van traktaten en door de daden van geweld en de dieverijen, gepleegd door zijn volk op zijne aansporing of met zijne toelating, vooral op een tijd toen het Gouvernement en de Burgers van den Oranje Vrijstaat er bijna in geslaagd waren den vijand te overwinnen.

Het Basuto Opperhoofd en zijne volk zouden reeds lang om vrede gevraagd hebben, waren zij niet onder den verkeerden indruk, dat Zijne Excellentie den Gouverneur der Kaapkolonie hun de oude lijn van Majoor Warden zouden terug geven.

Ik heb de eer te zijn, enz.,

(Get.) J. H. BRAND.

KOPIE.]

Gouvernementshuis, Kaapstad, 14 Maart, 1868.

Zijn Hoog Edele den President van den Oranje Vrijstaat.

MIJNHEER,—Ik heb de eer de ontvangst te erkennen van uwen brief van 3 dezer, en daar ik in mijne missive van den 10den reeds de omstandigheden heb omschreven, die tot het traktaat van Aliwal in 1858 hebben geleid, en tot mijne bemiddeling tusschen den Vrijstaat en de Basutos, in 1864, en u bekend gemaakt heb met de voorgevoelens, welke ik destijds koesterde, omtrent verdere oneenigheden tusschen die beiden, zoo komt het mij noodeloos voor omtrent die punten in verdere discussie te treden.

Gij berigt mij nu, dat de oorlog met kracht moet worden voortgezet totdat de moordenaars van Bush en Krijnsauw aan u zullen uitgeleverd zijn, en totdat Moshesh verder eene hoeveelheid vee als oorlogskosten zal hebben betaald.

Dit besluit aan den kant der Vrijstaatsche Regering betreur ik ten diepste; doch bedenkende dat Moshesh tweemaal toegestemd heeft om den Vrijstaat te sparen op verzoek van dit Gouvernement, welke tusschenkomst in beide gevallen door den Vrijstaat in de meest dringende bewoordingen was ingeroepen, heb ik het mij ten pligt beschouwd, om aan zijn verzoek te voldoen, zoodat ik onmiddelijk uitvoering geven zal aan Hare Majesteits goedgunstige plannen ten zijnen behoeve. En ik sluit hierbij een afschrift in van eene Proklamatie, gisteren uitgevaardigd, waarbij de Basutos tot onderdanen van Hare Majesteit worden verklaard.

Dit doende, meen ik kennis te moeten nemen van die paragraaf in uwen laatsten brief, waarin gij opmerkt:—"Ten slotte heb ik de eer te melden, dat de eenige informatie, die in het bezit is van het Gouvernement van den Oranje Vrijstaat, die bekendmaking is, vervat in uwe missive van 13 Januarij, dat naar alle waarschijnlijkheid Moshesh en zijn volk op het punt staan onderdanen van de Britsche Kroon te zullen worden. Ons Gouvernement weet niet welke schikkingen in behandeling zijn."

In mijn brief van 13 Januarij berigtte ik u, dat het Hare Majesteit behaagd had mij te magtigen om schikkingen te maken, ten einde Moshesh en zijn stam Britsche onderdanen te doen worden. Moshesh zond u onmiddelijk een afschrift toe van mijn brief aan hem, en stelde gevolgelijk voor de schorsing van vijandelijkheden, die ik had aangeraden.

Op 11 Februarij berigtte ik u, dat hij zich geheel in mijne handen had gesteld. De eigenlijke Proklamatie werd uitgesteld, tengevolge van mijn verlangen om met betamelijke beleefdheid jegens uw Gouvernement te handelen, zoowel als om mededeeling te doen aan het Gouvernement van Natal.

Ik koester nog de sterkste begeerte om openhartiglijk met u te onderhandelen, met het oogmerk om deze zaken op bevredigende wijze af te doen.

Ik heb, enz.,

26th March, 1868.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith: To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy, Greeting.

WHEREAS, upon the Petition of WILLIAM CHRISTIAAN ABRAHAM DE KLERK, of Somerset East, to the Honourable the Chief Justice and the Judges of the Supreme Court of our said Colony, against JANUARY JACOBUS, now or lately of Somerset East, it appears to us that the said JANUARY JACOBUS is justly and truly indebted to the said WILLEM CHRISTIAAN ABRAHAM DE KLERK, in the sum of Seventy Pounds sterling, with interest, being the balance due upon a certain Contract, dated the 28th day of June, 1862, for the hire of Oxen, which were not all returned to the said CHRISTIAAN ABRAHAM DE KLERK, the number not returned amounting to seven, valued at Ten Pounds each; and whereas it appears that before the expiry of said Contract, to wit, in or about the month of October, 1862, the said JANUARY JACOBUS departed from his dwelling-house at Somerset East, and still doth absent himself therefrom, with intent to defeat the said WILLEM CHRISTIAAN ABRAHAM DE KLERK, and others his Creditors, in obtaining payment of their just Debts, and did thereby commit an act of insolvency; whereupon the said WILLEM CHRISTIAAN ABRAHAM DE KLERK prayed that the Estate of the said JANUARY JACOBUS might be sequestrated for the benefit of his Creditors. And whereas it further appeared to us of record that the Honourable the Supreme Court did, by their order, bearing date the 24th day of March, 1868, place the said Estate under sequestration in the hands of the Master of the said Court, until the same should be thereafter adjudged to be sequestrated, or the said Petition should be discharged: Now, therefore, we command you that you summon the said JANUARY JACOBUS that he be before our Justices of the Supreme Court of our said Colony, at Cape Town, on the 15th day of May, 1868, at 10 o'clock in the forenoon, to show cause, if he have any, why his Estate should not by sentence of the said Court be adjudged to be sequestrated for the benefit of his Creditors; and return you then there this Writ, with whatsoever you have done thereupon.

Witness: Sir WILLIAM HODGES, Knight, our Chief Justice of the Supreme Court of our said Colony, at Cape Town, the 25th day of March 1868, in the 31st year of our Reign.

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any *other Company* of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies contingent on the continuance of fidelity.

Three fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life.

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policyholders, if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorized (by Special Act of Parliament) to be accepted by Government.

The Guarantee Policies of this Society are accepted by the Treasury, Poor Law Board, and other public departments, and by the leading London and Provincial Joint-Stock and Private Banks, the principal Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms throughout the kingdom.

Immediate Annuities payable during the whole o Life may be purchased on the following Scale

Annuities granted at the undermentioned Agents for every £100 of Purchase Money.

NADEMAAL ons uit de Petitie van WILLEM CHRISTIAAN ABRAHAM DE KLERK, van Somerset Oost, aan hun Edel Achtbaren, den Beschrijver en de Regters van het Hoog Geregtshof onzer Kolonie tegen JANUARIJ JACOBS, nu of eenlangs wonende te Somerset Oost, is gebleken, dat de gez. JANUARIJ JACOBS wettig en naar waarheid aan den gezegden WILLEM CHRISTIAAN ABRAHAM DE KLERK schuldig is de som van Zeventig Ponden Sterling met Interest, zijnde het saldo van en op een zeker kontrakt, gedateerd 28 Junij, 1862, voor de huur van Goen welke niet allen aan den gezegden WILLEM CHRISTIAAN ABRAHAM DE KLERK zijn teruggegeven, zijnde het niet teruggegeven aantal zeven stuks, gewaardeerd op Tien Ponden elk;—en aangezien blijkt, dat voor den afloop van gezegd Kontrakt, namelijk, in of omtrent de maand October, 1862, de gezegde JANUARIJ JACOBS, zijn woonhuis te Somerset Oost heeft verlaten en nog steeds daarvan afwezig blijft, met het kennelijk doel om den gezegden WILLEM CHRISTIAAN ABRAHAM DE KLERK te verhinderen en zijne andere Krediteuren te verhinderen in het bekomen van betaling hunner regtmatige vorderingen, en daarmede de daad van insolventgaan heeft gepleegd; redenen waarom de gezegde WILLEM CHRISTIAAN ABRAHAM DE KLERK verzoek, dat de boedel van den gezegden JANUARIJ JACOBS, onder Sekwestratie moge worden gesteld ten voordeele zijner Schuldeischers.

En nademaal ons verder is gebleken bij rapport, dat het Hoog Geregtshof bij lastgeving, gedateerd den 24sten dag van Maart, 1868, den Boedel van den gezegden JANUARIJ JACOBS, geplaatst heeft in handen van den Meester van het Hoog Geregtshof, tot dat dezelve hierna zou worden verweren tot sekwestratie, of de gezegde petitie zou worden gedechargeerd;

Zoo gelasten wij u, den gezegden JANUARIJ JACOBS te dagvaarden om te verschijnen voor onze Regters van ons gezegd Hoog Geregtshof van de Kaap de Goede Hoop te Kaapstad, op den 15den dag van Mei, 1868, ten 10 ure 's voormiddags, ten einde reden op te geven, indien hij die heeft waarom zijn Boedel niet bij vonnis van het gezegd Hof onder Sekwestratie zal worden gesteld ten voordeele zijner Crediteuren, en daar weer deze dagvaarding te remitteren met wat daarop door u is gedaan.

SAUL SOLOMON & Co

St. George's-street, Cape Town.

The Thirty-Seventh Annual Report of the Committee of Management of the Cape of Good Hope Savings' Bank Society, to the General Meeting of the Members, held on the 28th March, 1868.

IN reviewing the transactions of the past year, the chief matter which calls for remark is the reduction by the sum of £3,977 10s. 8d. in the amount of the Protecting Fund as compared with the previous year; the amount for 1866 having been £19,683 11s. 8d., whilst for 1867 £15,706 1s. only is shown.

The tenor of the three preceding reports will have led the Members to anticipate that a reduction was inevitable as soon as several Insolvent Estates should be closed; and as this has in some degree taken place the deficiencies have now been necessarily charged to this Fund. But in addition to such finally ascertained losses, a sum of £2,000, being the amount of a Bond of Mr. M. BLAKE, has also been placed at the debit of the Fund, in order to stay the accumulating interest, which tended only to a fictitious increase, making the deficit apparently greater at the end. The Property mortgaged by Mr. BLAKE has not yet been sold, nor is there any immediate prospect of a reasonable price being offered for it; and your Committee have therefore thought it advisable to leave it unsold, in the hope that at some future date, by an increase in the value of Landed Property, a sale may be effected, and some considerable portion of the loss be ultimately recovered. This Property measures 25,770 Morgen, and at the time the Loans upon it were granted (£1,500 in 1854, and £500 in 1857) was valued by a Sworn Appraiser and a Field-cornet at £5,000. Of the other losses now written off, the only important one is £550, of GEORGE BREHM, of Uitenhage, whose property, valued at £4,500 for Divisional Council purposes, and mortgaged to this Bank for £2,000, was sold with difficulty for £1,505.

The Interest also which has been accruing upon the Bonds thus held in suspense, and now written off, has of itself reduced the Protecting Fund by above £1,400.

The Bookkeeper's Accounts and Statements show an increase of £4,754 0s. 10d. in the amount held for Depositors generally; but there is a decrease of £7,895 4s. 5d. under the head of Societies' Funds, &c., arising from the withdrawal of £10,000 by the Trustees of the Cape Town Police Superannuation Fund, which sum was paid on the day when it fell due without inconvenience to the Society. The Deposits of Individuals have increased by £6,876 10s. 7d., and those of the Branch Banks by £5,772 14s. 8d.,—a gratifying fact, as proving the utility of the Institution to those persons for whose benefit it was established.

The principal increase in the Branch Banks as compared with last year have been:—

Port Elizabeth	£1,744 8 10
Graham's Town	1,670 14 8
Graaff-Reinet	729 2 11
Simon's Town	671 16 11
Swellendam	295 11 10
Richmond	262 6 5
Somerset West	219 5 1
Riversdale	203 15 0
Mossel Bay	200 19 1
Caledon	190 6 6

In the majority of the other Branches there has also been a small increase, whilst some have been slightly reduced, although even in a few of these the smaller amount is held for a larger number of Depositors.

In Cape Town, 504 New Accounts were opened and 485 closed during the year 1867, showing an increase of 19.

The entire Deposits at the end of the year were held as follows:—

For 3,824 Individual Depositors and		
161 Societies' Funds, &c., in Cape Town ...	£138,229	13 8
25 Branch Banks	56,561	11 11
4,010 Depositors, with a Credit of	194,791	5 7

All further necessary details will be found in the accompanying Accounts and Statements, and do not seem to your Committee to require any special remark or explanation.

This being a MUTUAL ASSURANCE SOCIETY, the profits are not, as in Proprietary Companies, divided between the Partners and the Assured,—the whole belong to the Policy-holders.

The Profits will be divided amongst the holders of Policies at the termination of every period of THREE YEARS, and each holder may determine that his share shall be added to the sum assured by him,—or converted into a present payment—or applied in reduction of the future annual premiums payable by him.

Persons proposing for assurance will be required to produce certificates of baptism, or such other proofs of age as the Directors may deem to be satisfactory.

Persons proposing for assurance are not charged with the fees payable to the medical officers of the Society.

VISITEKAART PORTRET

VAN

Z. K. H. DEN HERTOG VAN EDENBURG.

Proef-exemplaar te zien bij de Heeren J. L. PHILIP & Co., in de Adderleystraat.

Het Zeven-en-Dertigste Jaarlijksche Rapport der Commissie van Beheer van de Kaap de Goede Hoop Spaarbank Maatschappij aan de Algemeene Vergadering der Leden, gehouden den 28sten Maart, 1868.

BIJ het overzien der transaktien van het afgeloopen jaar is de voornaamste zaak, die eenige toeliehting vereischt, de vermindering ter somma van £3,977 10s. 8d., in het Beschermingsfonds als vergeleken met het jaar te voren, zijnde het bedrag in 1866, £19,633 11s. 8d. geweest, terwijl voor 1867, slechts £15,706 1s. is uitgetrokken.

De doorgaande inhoud der drie voorgaande Rapporten zal de Leden reeds hebben geleid tot de verwachting, dat eene vermindering onvermijdelijk was, zoodra verschillende Insolvente Boedels zouden afgesloten zijn; en daar dit nu tot zekere hoogte heeft plaats gehad, zijn de te korten noodzakelijker wijze ten laste van dit Fonds gebragt. Maar behalve de aldus finaal bekende verliezen is ook eene som van £2,000, zijnde het bedrag van een Verband van den Heer M. BLAKE, op het debit van dit Fonds geplaatst, ten einde het oploopen van den Interest te stuiten, hetwelk alleen leidt tot eene ingebeelde vermeerdering, door het te kort aan het slot schijnbaar grooter te maken. Het eigendom door den Heer BLAKE verbonden, is nog niet verkocht; ook is er nog geenerlei uitzigt dat er een redelijke prijs voor geboden zal worden; en uwe Commissie heeft daarom raadzaam geacht, het eigendom onverkocht te laten, in de hoop dat op een lateren datum, door eene vermeerdering in de waarde der Vaste Goederen, een verkoop zal kunnen gesloten en een aanmerkelijk gedeelte van het verlies ten slotte gedekt worden. Dit Eigendom is groot 25,770 Morgen, en ten tijde toen de beleeningen daarop gegund werden (£1,500 in 1854 en £500 in 1857) was het gewaardeerd door een Beëedigden Schatter en een Veldkornet op £5,000. Van de andere nu afgeschreven verliezen is het eenige belangrijke dat van £550 van GEORGE BREHM, te Uitenhage, wiens eigendom gewaardeerd op £4,500 voor de dienst van den Afdeelingsraad en gehijpothekeerd aan deze Bank voor £2,000, met moeite werd verkocht voor £1,505.

Ook de Interest verschenen op de aldus hangende en thans afgeschrevene Verbanden heeft op zich zelven het Beschermingsfonds verminderd met ruim £1,400.

De Rekeningen en Staten van den Boekhouder toonen eene vermeerdering van £4,754 0s. 10d. aan in het bedrag door de Bank van de Inleggers in 't algemeen in bewaring gehouden, maar er is eene vermindering van £7,895 4s. 5d. onder het hoofd fondsen van Maatschappijen, enz., ontstaande door het opvragen van £10,000 door de Curatoren van het Wachtgeld Fonds der Politie, welke som op den vervaldag zonder ongerief voor de Maatschappij is uitbetaald. De inlagen van Partikulieren zijn vermeerderd met £6,876 10s. 7d., en die van de Takbanken met £5,772 14s. 8d., een verblijdende daadzaak als bewijzende het nut dezer Instelling voor degenen ten wiens behoeve zij is tot stand gebragt.

De voornaamste vermeerdering in de Takbanken, als vergeleken met verleden jaar, zijn geweest:—

Port Elizabeth	£1,744 8 10
Grahamstad	1,670 14 8
Graaff-Reinet	729 2 11
Simonsstad	671 16 11
Swellendam	295 11 10
Richmond	262 6 5
Somerset West	219 5 1
Riversdale	203 15 0
Mosselbaai	200 19 1
Caledon	190 6 6

In de meeste der andere Takken is er ook eene kleine vermeerdering geweest, terwijl sommige een weinig verminderd zijn; ofschoon zelfs in enkele van deze, het kleinere bedrag voor een grooter aantal Inleggers bewaard wordt.

In Kaapstad zijn 504 Nieuwe Rekeningen geopend en 485 gesloten gedurende het jaar 1867, hetwelk eene vermeerdering aantoont van 19.

Het geheele bedrag der Inlagen aan het einde van het jaar was verdeeld als volgt:—

Voor 3,824 Partikuliere Inleggers, en

161 Fondsen van Maatschappijen, enz., in Kaapstad	£138,229 13 8
25 Takbanken	56,561 11 11
4,010 Inleggers met een Krediet van	194,791 5 7

Alle verdere verlangde bijzonderheden zijn te vinden in de bijgaande Rekeningen en Staten, en zij schijnen uwe Commissie toe geene bijzondere opmerkingen of opheldering te behoeven.

WM. PORTER, President.
